 **The Savior of the World:**
INTRODUCTION

 **The Question That Changes Everything**

If the earth is the Lord's...
 If He created it with purpose...
 If He declared that it would be filled with His glory...

Then why do we talk like we are leaving it instead of seeing it fulfilled?

EN

It cuts through centuries of assumption, tradition, and religious expectation. It brings us back to the beginning—to the moment when God spoke,

created, and revealed His intent.

From the very first chapter of Scripture, we are shown something unmistakable: God created the earth, placed man within it, and gave him dominion. This was not an accident. It was not temporary. It was the beginning of a divine purpose that has never changed.

The earth is not an afterthought in the plan of God—it is central to it.

The Earth Was Created With Purpose

The Scriptures declare that the earth is the Lord's and the fullness thereof. They tell us that He did not create it in vain, but formed it to be inhabited. They reveal that He placed man in the earth as His image and likeness, giving him authority and dominion over creation.

This was the beginning of God's dream.

Not a dream of escape—but a dream of **expression**.

Not a dream of abandonment—but a dream of **fulfillment**.

Not a dream of leaving the earth—but a dream of **filling it**.

The Glory That Must Fill the Earth

Throughout Scripture, a declaration echoes again and again:

The earth shall be filled with the knowledge of the glory of the Lord as the waters cover the sea.

This is not a suggestion.

This is not a possibility.

...the declaration.

EN

God has spoken the end from the beginning.

His purpose is not partial.

His intention is not uncertain.

His plan is not failing.

The story of Scripture is the unfolding of this one reality:

☞ **God is filling His earth with His glory.**

Christ — The Revelation of the Dream

When Christ came, He did not introduce a new plan—He revealed the original one.

In Him, the glory of God was made visible.

In Him, the purpose of God was clarified.

In Him, the destiny of creation was secured.

He is not only the Savior of individuals—

☞ **He is the Savior of the world.**

Through Him, what was veiled is revealed.

What was hidden is made known.

What was promised begins to unfold.

The Plan of the Ages

What we see in the earth today is not the failure of God's dream—it is the process of its fulfillment.

God is not working randomly.

EN

reacting to events.

He is unfolding a plan—line upon line, age upon age.

From creation...
to Christ...
to the manifestation of His glory in the earth...

Everything is moving toward one end:

👉 **The earth filled with His glory.**

The Final Vision

The Scriptures do not end with loss.
They do not end with abandonment.
They do not end with a divided creation.

They end with fulfillment.

A restored creation.
A revealed glory.
A unified purpose.

And ultimately:

👉 **God all in all.**

The Invitation

This book is not just a study—it is an unveiling.

It is an invitation to see the earth the way God sees it.
To understand His purpose from beginning to end.
To step into the revelation of His dream.

Because once you see it...
everything changes.

You no longer ask:

👉 "Is God going to do something?"

You begin to see:

👉 **He already is.**

CHAPTER 1 — The Dream in the Heart of God

Before the Beginning, There Was a Purpose

Before the first word of Genesis was ever spoken...

Before light pierced the darkness...

Before the earth was formed or man was made...

There was a purpose in the heart of God.

God did not create randomly.

He did not react to events.

He did not begin something without knowing its end.

The Scriptures declare that He knows the end from the beginning and declares things that are not yet done. His works were not an afterthought—they were established in wisdom, ordered in purpose, and set in motion according to His own

From the very start, God carried within Himself a vision.

- 👉 A dream.
- 👉 A purpose.
- 👉 A divine intention.

The Counsel of His Own Will

The plan of God did not originate in man.

It did not arise from circumstance.

It did not develop over time.

It came from within God Himself.

He purposed all things according to the counsel of His own will. That means nothing in creation exists outside of His intention. Every age, every movement, every unfolding reality is tied back to something He determined before time began.

This is not a fragile plan.

This is not a plan that can fail.

- 👉 This is a plan rooted in the nature of God Himself.

And what God purposes... He brings to pass.

A Purpose Established Before Time

The Scriptures reveal that grace was given to us before the world began. That means God's intention for creation—and for mankind—was not formed after the fall, but

EN

oundation of the world.

Before sin ever entered the picture...
 Before man ever walked the earth...

☞ God had already established His purpose.

This changes everything.

Because it means:

- The fall did not cancel the plan
- Sin did not interrupt the purpose
- Time did not weaken His intention

☞ God is not recovering from something.

☞ He is **unfolding something**.

The Earth Was Always in View

God's dream was never abstract.
 It was never disconnected from creation.

From the beginning, His purpose involved the earth.

The earth is the Lord's and the fullness thereof. He created it, formed it, and established it—not in vain—but to be inhabited. This was not temporary. This was not symbolic.

☞ This was intentional.

God's dream includes:

EN

- A real earth

- A real creation
- A real expression of His glory

He did not create the earth to abandon it.
He created it to **fill it**.

The Design of Glory

At the center of God's purpose is one word:

Glory

Glory is not just brightness.
Glory is not just power.

Glory is the **expression of who God is**.

His nature.
His character.
His fullness made visible.

From the beginning, God intended that His creation would reflect Him—that the earth would become a vessel, a stage, a dwelling place where His glory would be revealed.

The Declaration That Defines the Dream

Throughout Scripture, one declaration rises again and again:

EN

... shall be filled with the knowledge of the glory of the Lord as the waters cover the sea.

This is not a hope.

This is not a possibility.

👉 This is a decree.

God has spoken the outcome before the process has finished.

And what He has declared cannot fail.

Not Reaction — Revelation

Everything we see unfolding in Scripture is not God reacting to events—it is God revealing what He already purposed.

Creation was the beginning of that revelation.

History is the unfolding of that revelation.

Christ is the manifestation of that revelation.

And the end is the fullness of that revelation.

👉 The dream has always been the same.

The Dream Defined

So what is God's dream?

Not escape from the earth.

Not abandonment of creation.

Not partial success.

EN

eam is this:

That the earth He created would be filled with His glory, until nothing remains untouched by His presence and all things come into alignment under Him.

The Foundation of Everything That Follows

Everything in Scripture builds on this foundation:

- Creation reveals it
- Dominion expresses it
- Christ manifests it
- The ages unfold it
- The end fulfills it

This is the thread that runs from Genesis to Revelation.

And once you see it...
you cannot unsee it.

Closing Declaration

God did not create the earth to leave it empty.
He did not redeem it to abandon it.
He created it, purposed it, and is filling it—
until His glory covers the earth as the waters cover the sea.

CHAPTER 2 — The Earth Is the Lord's

Ownership Settled From the Beginning

Before we talk about dominion...

Before we talk about glory filling the earth...

Before we talk about inheritance...

One truth must be settled:

👉 Whose earth is it?

The Scriptures answer clearly:

- **Psalm 24:1**

"The earth is the Lord's, and the fullness thereof; the world, and they that dwell therein."

This is not symbolic language.

This is a declaration of **absolute ownership**.

The earth does not belong to man.

It does not belong to systems.

It does not belong to darkness.

👉 It belongs to the Lord.

Not Partial — Total Ownership

God does not just claim the earth in part.

- **Deuteronomy 10:14**

EN

the heaven and the heaven of heavens is the Lord's thy God, the earth also, that therein is."

👉 Everything:

- The land
- The nations
- The systems
- The people

Nothing exists outside His claim.

🧠 Ownership by Creation

God's ownership is not based on control—it is based on **creation**.

- **Genesis 1:1**
"In the beginning God created the heaven and the earth."
- **Colossians 1:16**
"All things were created by Him, and for Him."

👉 If He created it...

👉 It belongs to Him.

👑 Ownership With Intention

God did not create the earth and step away from it.

- **Isaiah 45:18**
"He created it not in vain, He formed it to be inhabited!"

👉 That means:

- The earth has purpose

- The earth has direction
- The earth has destiny

Ownership is not passive—it is **purpose-driven**.

Delegated, But Not Surrendered

Now here's where many misunderstand:

Yes, God gave man dominion.

- **Psalm 115:16**

"The heaven, even the heavens, are the Lord's: but the earth hath He given to the children of men."

👉 But giving is not losing.

God delegated authority...

👉 He did not surrender ownership.

The Lie of Displacement

Many teachings subtly suggest:

- God lost control of the earth
- The earth is under another authority
- God is trying to get it back

But Scripture never says that.

Instead, it declares:

☞ **The earth is still His.**

No matter what unfolds...

No matter what appears...

☞ Ownership never changed.

The Stability of His Claim

Because the earth belongs to God:

- His purpose cannot fail
- His plan cannot collapse
- His intention cannot be overthrown

Ownership guarantees outcome.

☞ What belongs to Him...

☞ He will bring into alignment.

The Earth Under His Authority

Even when the earth appears chaotic, it remains under His authority.

- **Daniel 4:35**

"He doeth according to His will... none can stay His hand."

Psalm 103:19

EN

dom ruleth over all."

👉 That includes the earth.

🔥 Ownership Leads to Fulfillment

This is the key:

If the earth is the Lord's...

Then the earth must fulfill the Lord's purpose.

It cannot end in contradiction to His will.

It cannot conclude outside His intention.

👉 Ownership guarantees fulfillment.

🌟 The Shift in Understanding

Once you see this, everything changes.

You stop asking:

👉 "Is God going to win?"

And you start seeing:

👉 **He already owns the outcome.**

EN

Claiming Declaration

The earth is the Lord's—created by Him, claimed by Him, and sustained by Him. It has never left His hand, never escaped His authority, and will never fall outside His purpose.

What He has made, He will fill.

What He owns, He will bring into alignment.

And the earth that belongs to Him will be filled with His glory.

CHAPTER 3 — Created With Purpose, Not in Vain

God Does Nothing Without Purpose

If the earth belongs to the Lord...
then the next question is:

Why did He create it?

Was it random?

Temporary?

Something to be discarded?

The Scriptures answer with clarity:

- **Isaiah 45:18**

"He created it not in vain, He formed it to be inhabited."

This verse alone settles the issue.

 The earth was not created empty of purpose.

EN

med with intention.

Not in Vain — Not Empty — Not Temporary

The phrase “*not in vain*” means:

- Not meaningless
- Not empty
- Not without design

God did not create the earth as a temporary stage to abandon.

👉 He created it to **fulfill something**.

Formed to Be Inhabited

The Scripture does not say:

- “formed to be escaped”
- “formed to be destroyed without purpose”

It says:

👉 **formed to be inhabited**

That means:

- Life was always part of the plan
- Presence was always part of the design
- Expression was always the goal

God intended the earth to be **filled with life—not emptied of it**.

EN

Creation Reveals Intent

From the very beginning:

- **Genesis 1:1**

"In the beginning God created..."

- **Genesis 1:31**

"God saw everything that He had made, and, behold, it was very good."

☞ Creation was not flawed.

☞ It was not a mistake.

It was **very good**—because it aligned with His purpose.

Created By Him — Created For Him

The New Testament confirms this:

- **Colossians 1:16**

"All things were created by Him, and for Him."

This changes everything.

☞ The earth was not just created **by God**

☞ It was created **for God**

That means:

- It has a destination
- It has an outcome

EN

fulfillment point

Purpose Determines the End

If something is created *for* God...

☞ it cannot end outside of Him.

The purpose defines the outcome.

God does not create something for Himself...
and then allow it to end in contradiction to His will.

The Earth Is Moving Toward Fulfillment

Creation is not drifting aimlessly.

- It is not stuck
- It is not abandoned
- It is not without direction

☞ It is moving toward **what it was created for**

And that purpose is revealed throughout Scripture:

- ☞ The earth filled with His glory
- ☞ The earth inhabited
- ☞ The earth brought into alignment

The Plan Was Always Forward

EN

As forward, we see progression:

- Creation
- Formation
- Filling
- Multiplication
- Dominion

👉 Nothing about God's design points backward.

Everything moves **forward toward fulfillment**.

🔥 **Not Failure — Process**

What we see today is not failure.

It is process.

God is not trying to fix something that went wrong—

👉 He is unfolding what He already planned.

🌟 **The Key Revelation**

If God created the earth with purpose...
then the earth must reach that purpose.

There is no other logical conclusion.

Closing Declaration

EN

God did not create the earth in vain.

He formed it with intention, filled it with life, and established it for habitation.

What He designed, He will complete.

What He purposed, He will fulfill.

And the earth He created will reach the end for which He made it.

CHAPTER 4 — Dominion Given to Man

The Moment Everything Was Entrusted

After God created the earth...

After He formed it with purpose...

After He declared it good...

He did something that defines the entire story:

👉 **He placed man in the earth and gave him dominion.**

- **Genesis 1:26–28**

“Let us make man in our image... and let them have dominion...”

This was not symbolic.

This was not temporary.

👉 This was **delegation of authority**.

Dominion Was God's Design

EN

create man powerless.

He did not create him to observe.

☞ He created him to **rule**.

- Be fruitful
- Multiply
- Fill the earth
- Subdue it
- Have dominion

These are not suggestions.

☞ They are **commands tied to purpose**.

Dominion Flows From Identity

Man was given dominion for one reason:

☞ He was made in the image of God.

Dominion is not independent power.

It is **representation**.

Man was designed to:

- Reflect God
 - Express God
 - Govern in alignment with God
-

The Earth as the Realm of Dominion

EN

place man in heaven to rule.

👉 He placed him **in the earth**.

That means:

- The earth is the realm of expression
- The earth is the place of authority
- The earth is the stage of God's purpose

Dominion was always **earth-centered**.

🔥 Confirmed Throughout Scripture

This wasn't just Genesis—it echoes forward:

- **Psalm 8:4–6**

"Thou madest him to have dominion over the works of Thy hands..."

- **Hebrews 2:6–8**

👉 repeats and confirms it

👉 God placed everything under man.

⚔️ Dominion Was Not Revoked in Purpose

Something must be understood clearly:

Man's failure did not erase God's intention.

- Dominion may be **distorted**
- Dominion may be **misused**
- Dominion may be **veiled**

EN

☞ But it was never removed from God's purpose.

Dominion Points Forward

Dominion in Genesis was not the end—it was the beginning.

It points forward to:

- Restoration
- Alignment
- Fulfillment

☞ What began in man...

☞ is completed in Christ.

Christ — The True Dominion

Jesus did not come to introduce dominion.

☞ He came to **restore and reveal it**.

- He walked in authority
- He ruled over sickness, nature, and darkness
- He demonstrated what dominion looks like in alignment with God

☞ He is **man as God intended man to be**.

EN

Dominion Expands Through Christ

Through Christ:

- Dominion is clarified
- Dominion is restored
- Dominion is expanded

Not as control...

☞ but as **alignment with the will of God.**

Dominion Leads to Glory

This is the connection:

☞ Dominion → Expression → Glory

When man rules in alignment with God:

- The earth reflects God
- Creation responds to God
- Glory becomes visible

The Key Revelation

Dominion was never about control—it was about the earth becoming a vessel for the expression of God's glory through man.

Closing Declaration

EN

God placed man in the earth with dominion, not to rule apart from Him, but to reveal Him.

Dominion was the beginning of God's dream in motion—the earth governed in alignment with heaven, reflecting the glory of its Creator.

What was given in the beginning was not lost in purpose, but is being restored and fulfilled through Christ.

CHAPTER 5 — Glory Veiled, Not Destroyed

When the Image Was Hidden

God created man in His image.

He placed him in the earth with dominion.

He established a purpose that was good, ordered, and full of glory.

But then something happened.

Man turned from alignment with God—and in that turning, something was lost.

Not the purpose...

👉 but the **visibility of the purpose**.

The Fall Did Not Cancel the Dream

The common thought is this:

EN

ruined everything

and to change His plan

- The original purpose was lost

But the Scriptures never say that.

Instead, they reveal something deeper:

☞ The glory was **veiled**, not destroyed.

The Loss of Glory

- **Romans 3:23**

"All have sinned, and come short of the glory of God."

Notice the language:

- ☞ Not destroyed
- ☞ Not removed from existence

☞ **Come short of**

That means:

- The standard remained
 - The glory remained
 - Man fell beneath it
-

Creation Under the Veil

the fall reached beyond man.

- **Romans 8:19–21**

- ☞ creation subjected, waiting, groaning

Creation itself entered into a state of:

- Frustration
- Bondage
- Limitation

- ☞ Not because God abandoned it...

- ☞ but because it was tied to man's condition.

Subjected in Hope

Here's the key phrase:

- ☞ **"Subjected... in hope"**

This is critical.

Creation was not subjected to:

- permanent ruin
- irreversible loss

- ☞ It was subjected **with an outcome in view.**

God allowed the veil...

- ☞ but never removed the purpose.

The Groaning of Creation

Creation is not silent.

It is:

- Waiting
- Groaning
- Expecting

What is it waiting for?

👉 The manifestation of the sons of God.

This connects directly back to:

- Dominion in Genesis
 - Glory expressed through man
-

The Glory Still Exists

Even under the veil:

- The earth is still His
- The purpose is still intact
- The promise still stands

Nothing in Scripture suggests:

👉 that God abandoned His intention

Instead, everything points to:

👉 restoration and fulfillment

✝️ The Pattern Seen Early

Even in Genesis after the fall:

- God still speaks
- God still acts
- God still moves toward man

👉 The relationship is disrupted...

👉 but the purpose continues.

🔪 The Lie of Total Loss

Many teachings suggest:

- The earth is lost
- The plan failed
- God must start over elsewhere

But Scripture shows:

👉 **continuity, not cancellation**

🔥 Glory Hidden in the Process

EN

l "fall" is actually:

👉 the beginning of a process

A process where:

- What was given must be restored
 - What was hidden must be revealed
 - What was veiled must be unveiled
-

From Veil to Revelation

This chapter sets up everything that follows:

- If glory was destroyed → no hope
- If glory remains → restoration is possible

And Scripture is clear:

👉 Glory remains.

The Key Revelation

The fall did not destroy God's purpose—it concealed it. What was revealed in the beginning was hidden in the process, awaiting its unveiling.

Closing Declaration

The glory of God was not erased from the earth—it was veiled.

EN

It did not lose its purpose—it entered into a process.

What was hidden is not gone—it is waiting to be revealed.

And the earth that groans today does so with expectation, because the glory that was veiled is destined to be revealed.

CHAPTER 6 — Christ, the Revelation of Glory

The Glory Made Visible

What was veiled in man...

What was hidden in creation...

What was carried in promise...

👉 Was revealed in one Person:

Jesus Christ.

This is the turning point of all Scripture.

Not a new plan—

👉 the **revelation of the original plan.**

The Word Became Flesh

- **John 1:14**

"And the Word was made flesh... and we beheld His glory..."

This is not abstract.

- ☞ Glory was **seen**
- ☞ Glory was **touched**
- ☞ Glory was **manifested**

What was hidden...

- ☞ now stood in front of humanity.
-

The Exact Expression of God

- **Hebrews 1:3**

"The express image of His person..."

Christ is not a reflection.

- ☞ He is the **exact expression** of God.

That means:

- What God is → Christ reveals
 - What God intends → Christ demonstrates
 - What man was meant to be → Christ embodies
-

The Image Restored

- **Colossians 1:15**

"The image of the invisible God..."

In Genesis, man was made in God's image.

👉 That image is **perfectly revealed again.**

Christ is:

- Man as God intended
 - Dominion in alignment
 - Glory without distortion
-

🔪 Dominion Demonstrated

Jesus did not just speak about authority—

👉 He **walked in it.**

- He calmed the sea
- He healed sickness
- He cast out darkness
- He commanded creation

👉 This is dominion restored.

Not force...

👉 but alignment with God.

🔥 The Glory That Could Not Be Hidden

Everywhere Christ went:

- Light overcame darkness
- Life overcame death
-  EN overcame deception

☞ Glory was not contained—it **flowed**.

The Revelation of the Dream

In Christ, we see clearly:

☞ What God meant from the beginning.

Not escape from earth...

☞ but **God revealed in man within the earth**.

Christ is:

- The pattern
 - The proof
 - The beginning of fulfillment
-

Not Just For Him — For the Earth

This is critical:

Christ did not reveal glory for Himself alone.

☞ He revealed it **for creation**.

- **John 17:22**

"The glory which Thou gavest Me I have given them..."

EN

s everything.

☞ Glory is not contained in Christ

☞ It is **shared through Christ**

The Beginning of Expansion

What was seen in Christ:

☞ must now **spread**

From:

- One man
- To:
- Many

From:

- Revelation
 - To:
 - Fulfillment
-

Christ as Firstfruits of Glory

Christ is not the end of the story.

☞ He is the **first expression**.

What is seen in Him:

- Dominion
- Glory

👉 becomes the pattern for what follows.

The Earth Still in View

Everything Christ revealed points back to the original purpose:

👉 The earth filled with God's glory.

Not a spiritual idea—

👉 a **visible reality**.

The Key Revelation

Christ is not only the Savior—He is the revelation of what God intended from the beginning: His glory expressed in man, within the earth.

Closing Declaration

In Christ, the glory that was veiled is revealed.

The image that was distorted is restored.

The dominion that was hidden is demonstrated.

He is the visible expression of the invisible God—and the beginning of the fulfillment of God's dream for the earth.

From Seen in Christ... to Placed in Us

In Christ, the glory of God was revealed.

Visible. Tangible. Undeniable.

But the story does not end with a single expression.

👉 What was revealed in Christ...

👉 is **placed within man**.

This is the shift:

- From external revelation
 - To internal habitation
-

The Light Within

- **2 Corinthians 4:6–7**

"God... hath shined in our hearts... to give the light of the knowledge of the glory of God..."

Notice where the glory now appears:

👉 **In our hearts**

Not distant.

Not external only.

👉 Internalized.

Treasure in Earthen Vessels

The same passage declares:

☞ *"We have this treasure in earthen vessels..."*

That means:

- Glory is carried in humanity
- The vessel is natural
- The content is divine

This was always God's design:

☞ Glory expressed **through man**

Christ in You — The Hope of Glory

- **Colossians 1:27**
"Christ in you, the hope of glory."

This is one of the greatest revelations in Scripture.

Not:

- Man reaching God

But:

☞ **God dwelling in man**

And that indwelling carries a direction:

☞ **Glory**

Given, Not Earned

- **John 17:22**

"The glory which Thou gavest Me I have given them..."

Glory is not achieved.

☞ It is **given**.

Not worked up...

☞ but **received and expressed**.

From Seed to Expression

Glory within man is not static.

It is:

- A seed
- A life
- A reality that grows

What begins as:

☞ **Christ in you**

Moves toward:

EN

vealed through you

Transformation Into Glory

- **2 Corinthians 3:18**

"Changed... from glory to glory..."

This shows process:

- Not instant fullness
- But progressive transformation

☞ Glory increases.

☞ Glory unfolds.

The Inner Work Before the Outer Filling

Before the earth is filled...

☞ Man must be filled.

Before glory covers creation...

☞ Glory must be revealed in people.

This is the order:

1. Christ revealed
 2. Christ within
 3. Christ expressed
 4. Earth filled
-

EN

The Connection Back to the Earth

This chapter is not just personal—it is global.

What happens **in man**

☞ determines what happens **in the earth**

Because:

- ☞ Man was given dominion
 - ☞ Man is the vessel
 - ☞ Man is the carrier of glory
-

The Expansion of Glory

Glory does not stay hidden inside.

It:

- Radiates
- Spreads
- Influences
- Transforms

From:

- Individual

To:

- Collective

To:

EN

The Key Revelation

God's plan was never just to reveal His glory to man—but to place His glory within man, so it could be expressed through him into the earth.

Closing Declaration

The glory of God is not distant—it is within.

It is carried in earthen vessels, growing, transforming, and preparing to be revealed.

What was seen in Christ is now planted in man, and what is planted will be expressed.

From the inside out, God is filling His creation—until His glory is seen in the earth.

CHAPTER 8 — The Earth Shall Be Filled With His Glory

The Declaration That Cannot Fail

From the beginning, God has not only revealed His purpose—

 He has **declared the outcome**.

- **Habakkuk 2:14**

"The earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

This is not poetic language.

EN

divine decree.

Not a Possibility — A Certainty

God did not say:

- "The earth might be filled"
- "The earth could be filled"

He said:

 **"The earth SHALL be filled."**

-
- **Numbers 14:21**

"All the earth shall be filled with the glory of the Lord."

This is God speaking.

 And what God declares...

 He fulfills.

The Scope: ALL the Earth

This is where many limit the vision.

God does not speak of:

- a region
- a people group

EN

remnant only

☞ He speaks of:

- **All the earth**
 - **Whole earth**
 - **As waters cover the sea**
-

- **Psalm 72:19**

"Let the whole earth be filled with His glory."

☞ No gap

☞ No empty space

☞ No untouched region

As the Waters Cover the Sea

This phrase defines the intensity.

How do waters cover the sea?

☞ Completely

☞ Fully

☞ Without interruption

That is how glory will fill the earth.

From Internal Glory to Global Filling

In this chapter, we saw:

EN

👉 Glory placed within man

Now we see:

👉 Glory expanding into the earth

The pattern is clear:

1. Christ revealed
 2. Christ within
 3. Glory increasing
 4. Earth filled
-

🔥 The Process of Filling

The earth is not filled instantly.

It is:

- Unfolded
- Revealed
- Expanded

Through:

- The Plan of the Ages
 - The work of Christ
 - The manifestation of glory
-

EN

Not Opposition — Inevitability

This filling is not fragile.

It does not depend on:

- human systems
- political structures
- natural conditions

👉 It depends on **God's declaration.**

Creation Responds to Glory

When glory fills the earth:

- Darkness loses ground
- Life increases
- Order replaces chaos

Creation itself begins to:

- respond
 - align
 - reflect
-

The Earth Was Made for This

This is not a new idea.

This is the fulfillment of the original design.

- The earth was created
- The earth was formed
- The earth was given purpose

☞ And that purpose is now being fulfilled.

The Knowledge of His Glory

Notice the phrase:

☞ **“The knowledge of the glory of the Lord”**

This means:

- Not hidden
- Not unknown
- Not mysterious

☞ **Known**

☞ **Revealed**

☞ **Understood**

The Key Revelation

God is not trying to fill the earth with His glory—He has declared that it will be filled, and everything in His plan is moving toward that fulfillment.

EN

ing Declaration

The earth shall be filled with the knowledge of the glory of the Lord.

Not partially, but completely.

Not temporarily, but fully.

What was spoken from the beginning is now unfolding through the ages, and the earth created by God will be saturated with His glory as the waters cover the sea.

CHAPTER 9 — The Inheritance of the Earth

Not Escape — Inheritance

If the earth is the Lord's...

If He created it with purpose...

If He declared it would be filled with His glory...

Then the next question is:

Who receives it?

The answer from Scripture is clear—and it overturns a lot of assumptions:

- **Matthew 5:5**

"Blessed are the meek: for they shall inherit the earth."

Not escape the earth.

Inherit the earth.

EN

Promise Repeated

This is not a one-time statement.

- **Psalm 37:11**

"The meek shall inherit the earth..."

- **Psalm 37:29**

"The righteous shall inherit the land, and dwell therein forever."

👉 The language is consistent:

- Inherit
- Possess
- Dwell

The Meaning of Inheritance

Inheritance is not earned—it is received.

It is:

- Given by right
- Established by promise
- Fulfilled in time

👉 It belongs to those aligned with the purpose of God.

From Promise to Fulfillment

- **Romans 4:13**

"The promise... that he should be the heir of the world..."

EN

This expands the vision:

- 👉 Not just land
- 👉 Not just territory

👉 **The world**

The Earth Remains Central

Throughout Scripture, the inheritance is not relocated.

It is:

- The earth
- The land
- The world

- 👉 The same realm God created
 - 👉 The same realm God declared would be filled
-

The Character of the Inheritors

Jesus defines them:

👉 **The meek**

Meekness is not weakness.

It is:

EN

ent

sion to God

- Strength under control

These are the ones who:

- Reflect God
- Carry His nature
- Walk in His purpose

Inheritance Connected to Glory

This is the connection:

- ☞ The earth is filled with glory
- ☞ The inheritors carry that glory

So the inheritance is not just:

- possession of land
- ☞ It is participation in **God's purpose**

Dwelling in the Earth

The promise includes:

☞ dwelling

- Not temporary presence

EN

sing through

👉 Established habitation

🔥 No Contradiction in God's Plan

This chapter removes a major contradiction:

- God creates the earth
- God fills it with glory
- God gives it as inheritance

👉 These all point in the same direction.

🌟 The Key Revelation

The earth is not something to leave behind—it is something God has promised as an inheritance to those aligned with His purpose, to dwell in and participate in His glory.

🔥 Closing Declaration

The earth belongs to the Lord, and He has promised it as an inheritance.
Not to the proud, but to the meek.
Not to those who resist Him, but to those aligned with Him.
What He created, He will give.
What He promised, He will fulfill.
And those who walk in His nature will inherit the earth and dwell in it as His glory fills all things.

CHAPTER 10 — God All in All: The Fulfillment of the Dream

The End Declared From the Beginning

From the very first chapter of this book, one truth has been clear:

- ☞ God began with a purpose.
- ☞ God spoke a declaration.
- ☞ God set a plan in motion.

Now we come to the end—not an ending of loss, but an ending of **fulfillment**.

The Final State Revealed

- **1 Corinthians 15:24–28**

☞ *"...then cometh the end... that God may be all in all"*

This is one of the clearest statements of the final outcome in all Scripture.

Not partial.

Not divided.

☞ **All in all.**

Everything Brought Into Alignment

This passage reveals a process:

- All rule brought down
- All authority brought into order
- All things placed under Christ

👉 Not chaos at the end—

👉 **alignment at the end**

The Completion of the Process

What began in Genesis...

- Creation
- Dominion
- Purpose

Moves through:

- Veiling
- Revelation in Christ
- Glory within man
- Expansion into the earth

And arrives here:

👉 **Completion**

The Earth in the Final Vision

The end of Scripture does not remove the earth.

 **EN**

- **Revelation 21:1–3**

☞ *"Behold, the tabernacle of God is with men..."*

Notice:

- ☞ God dwelling **with men**
- ☞ Not separated
- ☞ Not distant

The Dwelling of God

The dream reaches its fullness here:

- God with man
- Man in alignment
- Creation restored

☞ This is habitation fulfilled.

The Glory Fully Manifested

What was declared:

- The earth shall be filled

Is now realized:

☞ The earth reflects Him

☞ His presence fills all

☞ His remains untouched

EN

No Fragmentation Remains

At this point:

- No division
- No separation
- No competing authority

👉 Everything is brought into one:

👉 **God all in all**

Not Loss — Fulfillment

This is critical:

The story does not end with:

- destruction without purpose
- abandonment of creation
- a broken outcome

It ends with:

👉 **fulfillment of purpose**

The Restoration of All Things

Everything returns to alignment:

- Creation
- Man
- Purpose

Not erased...

👉 but **fulfilled**

The Earth Reaches Its Purpose

What was spoken at the beginning:

- Created
- Formed
- Meant to be inhabited

Now reaches its end:

👉 Fully aligned with God's intention

The Key Revelation

The end of God's plan is not escape from creation, but the complete fulfillment of it—where everything is brought into alignment until God is all in all.

Closing Declaration

God's dream does not end in loss—it ends in fullness.

EN

He created is not abandoned—it is fulfilled.

He declared is not partial—it is complete.

From beginning to end, the plan of God moves toward one reality:

☞ God all in all.

🔥 FINAL WORD TO THE READER

If you have followed this journey, then you can now see clearly:

- The earth is His
- The purpose is established
- The glory is revealed
- The plan is unfolding
- The end is certain

☞ God's dream is not distant.

☞ It is unfolding now.
