From Alpha to Omega — Every Scroll Reveals the Lamb in His Elect

The *Book of Revelation Series* by [Carl Timothy Wray](#) is not a commentary about beasts, wars, or earthly timelines — it is the unveiling of Jesus Christ within His people. Every scroll in this series unfolds another dimension of divine light, revealing the progression of glory from the beginning to the end, from seed to fullness, from shadow to substance.

This is not the story of destruction but the revelation of dominion. The series is a prophetic journey through the living visions of John — where the symbols of heaven, the voices of prophecy, and the mysteries of eternity all find their fulfillment in the risen life of the Lamb within the [sons of God](#).

Each book stands as a stone in Zion, building a mountain of revelation for the elect of this age. What began as separate scrolls has now become one living series — **The Book of Revelation Series — The Unveiling of Christ in His People**.

The Vision of the Series

The Spirit of Revelation speaks not to inform the mind but to transform the heart. In every scroll, Christ is revealed as both the Alpha and the Omega — the beginning and the end of all things. This is the unveiling of His divine order within humanity. The seals, trumpets, vials, and voices all point to the internal work of the Lamb enthroned in the believer.

This series gathers fifteen prophetic scrolls that together form one panoramic vision — from the throne to the river, from Babylon's fall to Zion's rise, from the dragon cast down to the Lamb standing in the midst of the throne.

Every chapter is a mirror of divine identity. It shows the sons of God what they are becoming in Him.

The Scrolls of Revelation

Below are the fifteen prophetic scrolls that make up this divine series. Each one carries a revelation that builds upon the last, leading the reader deeper into the heart of God's eternal purpose.

1. The Book of Revelation — I Am Alpha and Omega, the Beginning and the End, the First and the Last

The foundation of the entire series — the declaration of Christ as the eternal beginning and ending. This book unveils the timeless identity of Jesus Christ as the Word that existed before creation and will remain after all things are fulfilled. It shows the Alpha and Omega not as two points in time but as one continuous revelation — the eternal I AM revealed in His sons.

2. The Book of Revelation — Jesus Is the Lake of Fire

A revelation that transforms fear into understanding. The Lake of Fire is not eternal torment but the fiery nature of Christ's love consuming all that is not of Him. It is judgment unto victory — a purifying presence that burns away death and unveils the immortal nature of God within man.

3. The Book of Revelation — Let Them Have Dominion Over the Earth

This scroll traces the divine right of dominion from Genesis to Revelation. It reveals that true dominion is spiritual — not carnal control, but Christ ruling through love, light, and righteousness. The Lamb's throne in heaven becomes the authority of sons in the earth.

4. The Book of Revelation — The Dragon Cast Down: The Final Expulsion of Death from Heaven and Earth

Here the great battle of Revelation 12 is unveiled as an internal war — the casting down of every false word and death-producing thought. The dragon represents the accuser's voice within man, and his expulsion marks the triumph of the Lamb's mind over the serpent's nature.

5. The Book of Revelation — The Drying of the Euphrates: When the Frogs Fall Silent and the Kings of the East Arise

A prophetic masterpiece that exposes the lying spirits of religion and politics. The drying of the river is not ecological — it is spiritual. The false streams are drying up, and the kings of the East — the sons of rising light — are marching forth. The frogs fall silent as the true voice of many waters begins to sound.

6. The Book of Revelation — The New Name Written in the Forehead

This scroll reveals the mind of Christ. The "new name" is not external identification but internal transformation — the revelation of divine consciousness. It is the sealing

of the elect with the nature of the Lamb, the inscription of His thought in the renewed mind.

7. The Book of Revelation — The Rapture Lie Exposed: Dominion in the Earth, Not Escape From It

A thunderous unveiling of truth. This book dismantles escapist theology and re-establishes the gospel of dominion. The sons of God are not waiting to leave the earth; they are being prepared to reign in it. The true catching up is the lifting of consciousness — not physical flight, but spiritual ascension into divine life.

8. The Book of Revelation — The Reconciliation of All Things

This scroll reveals the heart of God's eternal plan — reconciliation, not destruction. It traces the thread from Genesis to the Lamb's throne, showing how all things, visible and invisible, are gathered into one in Christ. It declares the final victory of love: that nothing created will remain outside redemption.

9. The Book of Revelation — The River of Life: Healing the Nations

From the throne flows the River of Life — clear as crystal, unstoppable, and pure. This book unveils that river as the Spirit of Life proceeding from Christ within the sons. Wherever this river flows, death dies, and nations are healed. It is the fulfillment of Ezekiel's vision and the manifestation of life eternal on earth.

10. The Book of Revelation — The Throne and the Lamb: The Center of All Dominion

The throne is the divine order of rule, and the Lamb is the nature of that rule. This revelation shows that power in the kingdom is rooted in meekness and authority flows through love. The Lamb in the midst of the throne governs all creation through mercy, wisdom, and light.

11. The Book of Revelation — The Voice Like Many Waters

The voice of the corporate Christ. This scroll reveals the harmony of divine speech — one voice flowing through many sons. As the waters cover the sea, so the knowledge of the Lord fills the earth through the collective voice of those who speak as one with the Word.

12. The Book of Revelation — Under the Altar: The Souls Slain by the Word of God and the Voice of Many Waters Revealed

This book unveils the mystery of the souls under the altar — not victims, but overcomers. They represent those who have laid down their natural life beneath the fiery altar of truth. Their cry is the sound of the redeemed — the testimony of those who have overcome death through the living Word. Revealed in the Book of Revelation Series.

13. The Book of Revelation — Unveiling the Lamb and His Immortal Company

Here the Manchild stands revealed — the immortal company of sons born from the womb of Zion. This scroll proclaims the triumph of life over death and the rise of an incorruptible generation who walk in divine immortality. The Lamb is no longer alone upon the throne — He reigns in a body made perfect in His image.

14. The Book of Revelation — Who Is Babylon the Great in the Book of Revelation

This revelation exposes the great harlot as a system — not a city, not a denomination, but a mindset. Babylon is confusion — the blending of flesh and spirit, religion and truth. To come out of her is to awaken from deception and enter the clarity of Zion's light.

15. The Book of Revelation — Striking Death with the Flaming Sword

The final scroll of this series brings the full power of divine judgment. The flaming sword is the Word of the Son, cutting between life and death. It is the final blow against mortality — the revelation that death has no dominion over the sons of the living God. Unveiled within the Book of Revelation Series.

The Unified Revelation

Each of these fifteen scrolls stands on its own, yet together they form one complete unveiling of the Lamb in His fullness. This series reveals the mystery of Christ as Head and Body, Spirit and Bride, Heaven and Earth united in one.

From Alpha to Omega, the Book of Revelation is not a prophecy of destruction — it is the divine blueprint for manifestation. The seals, trumpets, and bowls are not

disasters; they are the progressive stages of spiritual unveiling. Through them, the sons of God come into full maturity, bearing the image of the heavenly man.

The *Book of Revelation Series* is therefore not the end of the world — it is the end of blindness. It marks the dawning of immortal light, the awakening of divine consciousness, and the restoration of all things in Christ.

A Call to Covenant

The Spirit and the Bride say, *Come*.

Come and drink of the river of life freely.

These scrolls are freely given for the strengthening of the elect. Download them, read them, and share them. Let every book become a mirror where you see the Christ unveiled in you. These things are revealed in the Book of Revelation Series.

The Book of Revelation Series is the sound of many waters — the corporate voice of the new creation.
