# The Book of Revelation — The Sixth Seal Opened: The Shaking of the Old Heaven and the Old Earth

## The Book of Revelation Explained — The Sixth Seal Opened Reveals the Removal of the First Administration and the Appearing of the New Heaven, the New Earth, and the Dominion of Christ

By Carl Timothy Wray

# Book of Revelation: Author

[Carl Timothy Wray](#) writes as one standing inside the unveiling he describes.

His work does not approach the Book of Revelation as a distant prophecy waiting for human interpretation, but as a living administration proceeding from the throne of God and unfolding within creation according to divine order. For over four decades, his pursuit has centered on seeing Christ revealed as Alpha and Omega—the One who begins, administers, and fulfills the eternal purpose of God.

In this book, Wray does not merely explain the Sixth Seal; he traces its movement from its origin in the throne, through its shaking of the old heaven and old earth, to its ultimate fulfillment in the appearing of the new heaven and new earth.

His writing carries one central burden:

To show that the Lamb does not open seals to destroy creation—but to remove what is first so what is eternal may stand.

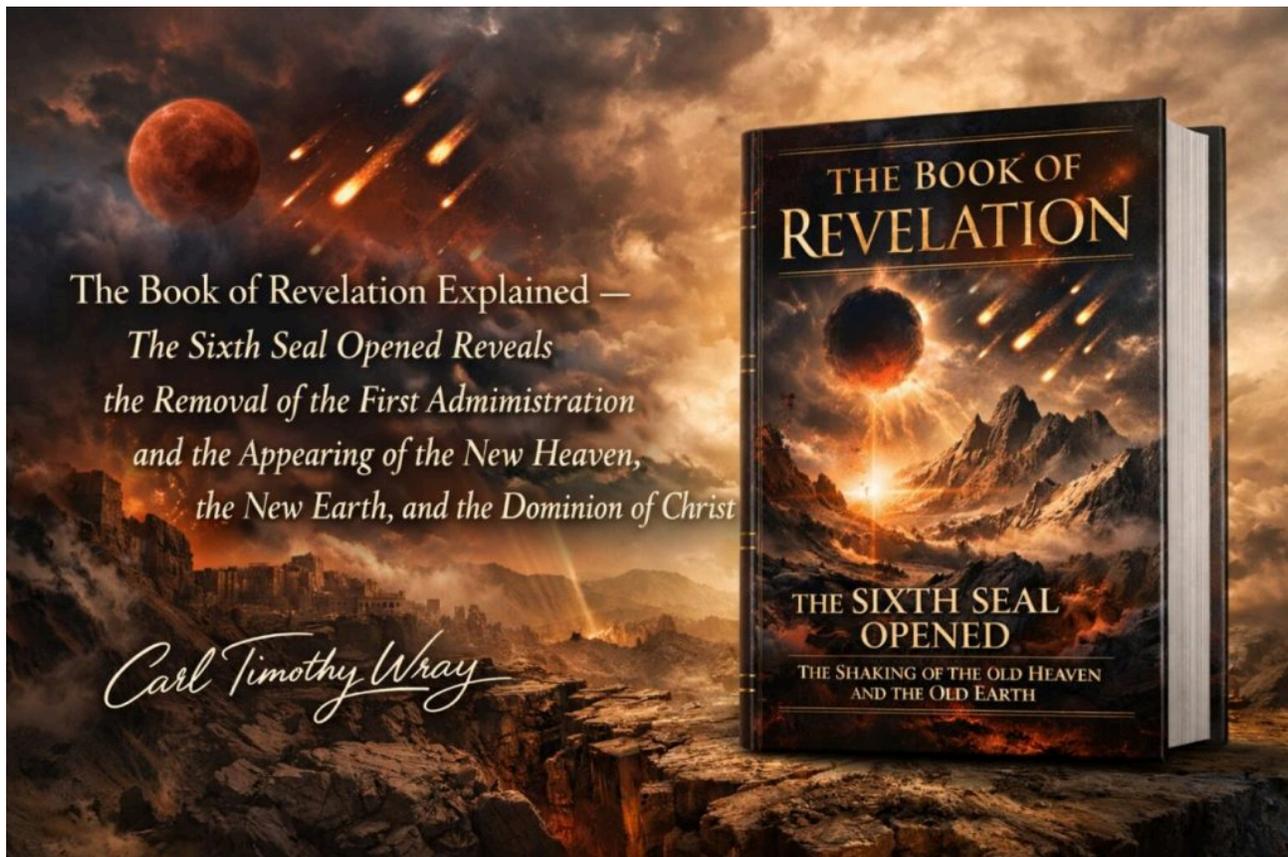

This scroll is part of his ongoing work to unveil the Book of Revelation as the progressive revelation of Christ's finished work moving creation toward its final consummation—when God becomes all in all.

**The Book of Revelation — The Sixth Seal Opened reveals the meaning of Revelation 6:12–17 as the divine shaking that removes the old heaven and old earth to prepare the appearing of the new heaven and new earth under Christ's dominion.** This book explains the Sixth Seal in the Book of Revelation through the throne of God, showing how the Lamb removes the first administration so the new administration of life can emerge. Readers searching for the Sixth Seal Book of Revelation explained, Revelation 6 meaning, and new heaven and new earth interpretation will discover how this shaking fulfills God's eternal purpose of Christ as the governing life of creation.

## Book of Revelation: Introduction

### The Book of Revelation — The Sixth Seal Opened

There are moments in the Book of Revelation where everything changes.

The Sixth Seal is one of those moments.

Up to this point, the Lamb has been opening seals that progressively conquer, measure, expose, and remove the administration of the first man. The white horse began the conquest. The red horse removed peace. The black horse measured the company—those in whom the first administration had already fallen.

EN

But when the Sixth Seal opens, the scope expands.

Now, it is not merely the inward conquest of individuals.

Now, the heaven and the earth themselves are shaken.

The structures that governed that world begin to collapse.

The sun darkens.

The moon turns to blood.

The stars fall.

The heavens depart.

The mountains move.

The kings of the earth lose their place.

Everything that defined the first order begins to pass away.

This is not chaos.

This is administration.

The Lamb is not reacting to events.

He is opening the seal.

Heaven is not responding to earth.

Earth is responding to heaven.

This is the unveiling of the moment when the first administration is removed so the new administration can appear.

For the purpose of God has never been to leave creation in the hands of the first man.

His purpose has always been to bring forth the last Man—the Lord from heaven.

The Sixth Seal reveals the transition between those two worlds.

It reveals the removal of the first heaven and the first earth.

And it prepares the appearing of the new heaven and the new earth.

For the shaking of the Sixth Seal is not the end.

It is the doorway.

The doorway through which creation passes from Adam's administration into Christ's dominion.

And when this work is complete, the declaration will stand fulfilled:

The kingdoms of this world have become the kingdoms of our Lord, and of His Christ.

And He shall reign.

Until all things are brought into their intended order.

Until the first is removed.

Until the last remains.

Until God becomes all in all.

## Chapter 1

### The Throne and the Lamb — The Alpha of the Sixth Seal

Before the earth shakes, the throne is already established.

Before the sun darkens, the Lamb is already standing.

Before the old heaven departs, heaven itself is not moved.

For nothing begins in the earth.

Everything begins in the throne.

The Sixth Seal does not originate in chaos. It originates in sovereignty.

It does not begin with destruction. It begins with administration.

It begins when the Lamb opens the seal.

---

### The Throne Stands Before the Shaking Begins

At the center of the Revelation stands one unchanging reality:

There is a throne.

EN

s upon it.

This throne is not established in response to the shaking.

The shaking proceeds from the throne.

The throne is not reacting.

The throne is administering.

For the throne is Alpha.

The throne is the source.

The throne is the causative realm from which all divine movement flows.

Nothing in the Sixth Seal occurs apart from this throne.

The earthquake does not begin by its own power.

The heavens do not depart by their own will.

The kings of the earth do not lose their place by human decision.

All of it unfolds because the Lamb opens the seal.

---

## The Lamb Opens What No Man Can Open

The seal remains closed until the Lamb opens it.

No system can open it.

EN

structure can open it.

No earthly authority can open it.

For this seal governs the transition between two administrations.

Only the One who finished the first can initiate the appearing of the second.

The Lamb opens the seal because the Lamb completed the work that qualified Him to govern what follows.

His opening of the seal is not merely permission.

It is execution.

It is the exercise of authority.

It is the continuation of the finished work moving into manifestation.

The Lamb does not open the seal to end creation.

He opens the seal to bring creation into its intended order.

---

## Heaven Moves — Earth Responds

The opening of the Sixth Seal reveals a divine order that must be seen clearly:

Heaven moves first.

Earth responds second.

The Lamb initiates.

Creation reacts.

The spiritual governs the natural.

The invisible governs the visible.

This is the pattern established from the beginning.

When God speaks, creation responds.

When the Lamb opens the seal, the heavens and the earth cannot remain as they were.

For the Sixth Seal is not the will of earth reaching heaven.

It is the will of heaven reaching earth.

It is the administration of the throne removing what no longer serves its purpose.

---

## **The Sixth Seal Begins the Removal of the First Administration**

What follows the opening of this seal is not random destruction.

It is ordered removal.

It is the taking away of the first.

The heaven that governed that world begins to depart.

EN

The earth that operated under that heaven begins to shake.

The rulers who stood within that order begin to lose their place.

This is not the loss of creation.

This is the removal of its former administration.

For the first heaven and the first earth were never intended to remain forever.

They existed to serve a purpose.

And when their purpose is fulfilled, the Lamb opens the seal that brings their administration to its end.

---

## The Alpha Reveals the Omega

The opening of the Sixth Seal reveals not only the beginning of the shaking—but the certainty of its outcome.

For the One who opens the seal is Alpha.

And because He is Alpha, He is also Omega.

He does not open without finishing.

He does not begin without fulfilling.

The throne that initiates the shaking is the same throne that will establish what remains.

The Lamb who removes the first is the Lamb who brings forth the last.

The shaking that begins in this seal will continue until everything that belongs to the first administration is removed.

And when the shaking is complete, only what belongs to the eternal administration will remain.

For the Sixth Seal begins at the throne.

And it moves creation toward its final alignment with the One who sits upon it.

The Lamb opens.

The throne administers.

The first begins to pass.

And the purpose of God moves forward.

## Chapter 2

# The Great Earthquake — The Shaking of the First Heaven and the First Earth

### Revelation 6:12

*"And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake..."*

The first visible sign of the Sixth Seal is not fire.

It is not war.

It is not the end of the planet.

It is an earthquake.

This earthquake is not merely geological.

It is governmental.

It is administrative.

It is foundational.

For an earthquake does not destroy randomly.

An earthquake shakes what is established.

It tests foundations.

It reveals what is secure and what is temporary.

It exposes what cannot stand.

The Sixth Seal begins with a shaking because the first order is being removed from its foundation.

---

## The Earthquake Begins in the Invisible Realm

Before anything collapses outwardly, it collapses inwardly.

Before systems fall in manifestation, they fall in authority.

EN

The earthquake represents the shaking of the very structure that upheld the first the first earth.

Everything that men trusted.

Everything that men depended upon.

Everything that men believed was permanent.

Begins to shake.

Not because creation failed.

But because its appointed time has reached completion.

This is not chaos.

This is transition.

This is the Lamb removing the first administration.

---

## This Is the Shaking Spoken by the Prophets

The earthquake of the Sixth Seal was not a new idea.

It was declared long before John saw it.

### Hebrews 12:26–27

*"Yet once more I shake not the earth only, but also heaven."*

*"And this word, Yet once more, signifieth the removing of those things that are shaken, that are made, that those things which cannot be shaken may remain."*

This is the purpose of the earthquake.

Not destruction for its own sake.

Removal.

Separation.

Revelation.

God shakes what can be shaken so that what cannot be shaken may remain.

This is the dividing line between the temporary and the eternal.

Between the first and the last.

Between Adam and Christ.

---

## The Earthquake Shakes the First Man's World

Everything built upon the first man begins to shake.

Every identity rooted in Adam.

Every system rooted in the natural mind.

Every authority rooted in earthly administration.

All of it enters instability.

man was never designed to govern eternally.

He was a temporary administration.

A necessary beginning.

But not the final reality.

The earthquake exposes this truth.

The world built upon the first man cannot remain when the second Man appears.

---

## **This Earthquake Is the Voice of the Throne**

Earthquakes in Scripture are often connected to the direct intervention of God.

When God descended upon Sinai, the mountain shook.

When Christ died, the earth shook.

When Christ rose, the earth shook.

When the throne moves, creation responds.

The earthquake of the Sixth Seal is the throne announcing its transition.

It is the voice of God removing the former administration.

It is the declaration that the first heaven and the first earth cannot continue as they were.

---

# This Shaking Is Personal Before It Is Universal

This earthquake is not only cosmic.

It is individual.

For every man carries within himself a heaven and an earth.

Every man carries an identity formed under the first administration.

Every man carries structures of thought, belief, and identity shaped by the first man.

The Sixth Seal shakes those foundations.

It shakes the identity rooted in Adam.

It shakes the mind rooted in the earth.

It shakes the consciousness formed under the first heaven.

This is why this shaking feels like death.

Because to the first man, it is death.

But to the last Man, it is resurrection.

---

## The Earthquake Is the Beginning of the End of the First

EN

he beginning.

The earthquake does not complete the transition.

It initiates it.

It announces it.

It begins the process.

The foundations of the old world begin to move.

The stability of the former administration begins to fail.

What seemed permanent begins to prove temporary.

For the Lamb has opened the seal.

And the throne has begun the removal of the first.

The earth shakes.

The order trembles.

The first heaven and the first earth begin their departure.

And the purpose of God moves forward.

## Chapter 3

### The Sun Becomes Black — The Extinguishing of

Light

EN

**Revelation 6:12**

*"...and the sun became black as sackcloth of hair, and the moon became as blood."*

After the earthquake shakes the foundation, the next thing John sees is the darkening of the sun.

This is not the destruction of the physical sun in the sky.

This is the extinguishing of the governing light of the first heaven and the first earth.

For the sun represents the ruling source of illumination.

It is the highest light of a system.

It is the authority that defines reality for those living under it.

When the sun becomes black, it means the light that once governed can no longer illuminate.

Its authority has ended.

Its administration has expired.

---

## **The Sun Represents the Governing Authority of the First Heaven**

From the beginning, the sun was established to rule the day.

**Genesis 1:16**

*light to rule the day..."*

The sun is a ruler.

It governs visibility.

It determines what can be seen.

It defines the environment in which men live.

Spiritually, the sun represents the highest authority within an administration.

It represents the dominant consciousness.

It represents the ruling light under which men live and move.

When John sees the sun become black, he is witnessing the removal of that ruling authority.

The first heaven's light is being turned off.

---

## Sackcloth Reveals the Nature of This Transition

John says the sun became black as sackcloth.

Sackcloth in Scripture represents mourning.

It represents the end of something.

It represents the passing of an order.

This is chaos.

This is closure.

The first heaven is entering its conclusion.

Its light is not destroyed in violence.

It is clothed in sackcloth because its purpose has been fulfilled.

Its assignment has ended.

---

## **The Moon Becomes Blood — The Collapse of Reflected Authority**

John then sees the moon become as blood.

The moon does not generate its own light.

It reflects the light of the sun.

This is important.

The moon represents secondary authority.

It represents reflected glory.

It represents systems that derive their power from a higher source.

When the sun is darkened, the moon cannot continue as it was.

EN

light collapses.

And John sees it become blood.

Blood represents death.

Not annihilation.

But the end of a life.

The end of a function.

The end of an administration.

The reflected authority of the first heaven is dying because its source has been removed.

---

## **This Is the End of the First Light That Governed Man**

The first man lived under a certain light.

A certain consciousness.

A certain administration.

But that light could never bring man into the fullness of God.

It could illuminate.

But it could not transform.

It could reveal.

But it could not complete.

Now that light is being removed.

The sun becomes black.

The moon becomes blood.

The entire light structure of the first heaven is shutting down.

---

## This Makes Way for a Greater Light

The darkening of the sun is not the end of light.

It is the end of a lesser light.

For a greater light is coming.

### Revelation 21:23

*“And the city had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof.”*

The Sixth Seal removes the first light so the true light can appear.

The light of the Lamb.

The light that does not merely illuminate.

EN

Not merely reveals.

But completes.

---

## **This Is the Removal of the First Consciousness**

This event is deeply personal.

Because every man has lived under the light of the first heaven.

Every man has been governed by its sun.

Every man has reflected its moon.

The Sixth Seal darkens that light.

Not to leave man in darkness.

But to prepare him for a greater light.

The light of Christ.

The light of the new heaven.

The light of the last Man.

The sun becomes black.

The moon becomes blood.

EN

t fades.

And the transition continues.

## Chapter 4

# The Stars Fall from Heaven — The Collapse of the First Administration

### Revelation 6:13

*“And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.”*

After the sun is darkened and the moon becomes blood, John sees something even more dramatic.

The stars begin to fall.

This is not a natural astronomical event.

This is the removal of ruling authorities within the first heaven and the first earth.

Because throughout Scripture, stars represent rulers.

They represent governing powers.

They represent administrative authorities.

---

## Stars Represent Rulers, Leaders, and Governing Authorities

From the beginning of Revelation, stars are defined for us.

**Revelation 1:20**

*"The seven stars are the angels of the seven churches..."*

Stars represent messengers.

Leaders.

Authorities.

Administrative powers.

Joseph's dream confirms this pattern.

**Genesis 37:9**

*"...the sun and the moon and the eleven stars made obeisance to me."*

The sun represented his father.

The moon his mother.

The stars his brothers.

Ruling figures.

Administrative heads.

When John sees the stars fall, he is witnessing the removal of ruling authorities.

The first administration is collapsing.

---

# The Stars Fall Because the Heaven They Belong To Is Ending

Stars belong to heaven.

They function within a heavenly order.

They govern from a higher realm over a lower one.

But when that heaven is removed, its stars cannot remain.

Their position disappears.

Their authority dissolves.

Their administration ends.

This is not the destruction of people.

This is the removal of positions.

The dismantling of an old system.

The ending of an old government.

---

## The Fig Tree Reveals the Timing of This Fall

John says the stars fall like a fig tree casting its untimely figs.

EN

the language.

Untimely figs are figs that fall before their season is complete.

They fall because the tree is shaken.

Not because the fruit is ready.

But because the order is being disrupted.

This is exactly what the Sixth Seal is doing.

It is shaking the entire first heaven and first earth.

And the authorities that belonged to that order cannot survive the shaking.

They fall.

---

## The Mighty Wind Represents the Power of God's Word

The shaking is caused by a mighty wind.

Throughout Scripture, wind represents Spirit.

It represents the breath of God.

It represents the movement of divine authority.

### Hebrews 12:26-27

EN

*For I shake not the earth only, but also heaven."*

This shaking is intentional.

It is precise.

It is purposeful.

God is removing everything that belongs to the first administration.

So that what cannot be shaken may remain.

---

## **This Is the Removal of the Old Governing Structure**

The falling stars represent the collapse of the old ruling order.

The old governing structure.

The old administrative system.

The kings of thought.

The rulers of consciousness.

The powers that governed man under the first heaven.

They are falling.

Not because God has lost control.

God is establishing a new administration.

---

# This Makes Way for a New Government

The fall of the stars is not the end of government.

It is the transition of government.

Because a new government is coming.

A new heaven.

A new earth.

A new administration.

## Revelation 11:15

*"The kingdoms of this world are become the kingdoms of our Lord, and of his Christ."*

The old stars fall so the new throne can be revealed.

The old rulers fall so the true King can appear.

The old administration collapses so the eternal administration can begin.

---

# This Is the Liberation of Creation from the First Order

This moment is not destruction.

EN

n.

Creation is being released from the authority of the first heaven.

Released from its limitations.

Released from its incomplete administration.

The stars fall.

The first rulers lose their position.

And the transition into the new continues.

The shaking is not finished.

But the old administration is already collapsing.

## Chapter 5

# Heaven Departs as a Scroll — The Closing of the First Heaven

### Revelation 6:14

*"And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places."*

Now John sees something that brings the entire sequence into focus.

Heaven itself departs.

Not gradually.

Not partially.

But as a scroll rolled together.

This is one of the clearest pictures in all Scripture of the closing of one administration and the preparation for another.

Because a scroll represents a written order.

A defined administration.

A documented reality.

When a scroll is open, its contents are active.

When a scroll is rolled up, its administration is finished.

---

## **A Rolled Scroll Means Its Administration Has Ended**

Earlier in Revelation, John saw a scroll sealed with seven seals in the right hand of Him who sat on the throne.

That scroll contained the administration of God's plan.

Each seal opened a phase of transition.

Now, under the Sixth Seal, heaven itself is seen as a scroll being rolled up.

This means the first heaven's administration is being brought to its conclusion.

EN

nt is ending.

Its authority is closing.

Its function is complete.

This is not chaos.

This is completion.

---

## This Is the Taking Away of the First

This moment fulfills a pattern seen throughout Scripture.

### Hebrews 10:9

*"He taketh away the first, that he may establish the second."*

God does not add the new on top of the old.

He concludes the first.

He rolls it up.

He brings it to its appointed end.

So that the second can be established in its proper place.

The departing heaven is the taking away of the first administration.

---

# Every Mountain Is Moved — The Removal of Established Powers

John then sees every mountain moved out of its place.

Mountains represent kingdoms.

They represent seats of authority.

They represent established ruling systems.

Throughout Scripture, mountains are where governments reside.

Where authority is exercised.

Where administration flows from.

When the mountains are moved, it means the established powers of the first heaven and earth are being displaced.

Their position is no longer secure.

Their authority is no longer fixed.

Their rule is ending.

---

# Every Island Is Removed — The End of Isolated Systems

EN

es every island moved out of its place.

Islands represent isolated realms.

Independent systems.

Separated orders.

These are administrations that existed within the larger structure of the first heaven and earth.

Now they too are being removed.

Nothing remains untouched.

Nothing remains unmoved.

The shaking is total.

The transition is complete.

---

## This Is the Dissolving of the First Heaven and First Earth

Peter saw this same moment.

### 2 Peter 3:10

*"...the heavens shall pass away with a great noise, and the elements shall melt with fervent heat..."*

EN

the destruction of creation.

This is the dissolving of an administration.

The removal of a governing order.

The ending of the first heaven and the first earth as ruling structures.

Their time has reached its conclusion.

Their purpose has been fulfilled.

Their scroll is being rolled up.

---

## This Prepares the Way for the New Heaven and New Earth

John would later write:

### Revelation 21:1

*“And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away.”*

The Sixth Seal is the transition point.

The moment where the first heaven departs.

So that the new heaven can appear.

God does not leave creation without administration.

EN

He replaces the old with the new.

He establishes a greater order.

A higher government.

A final administration.

---

## **This Is the Closing of One World and the Preparation of Another**

The rolling scroll marks the end of one world.

Not the physical planet.

But the governing heaven that ruled over it.

The mountains move.

The islands shift.

The scroll rolls up.

The first administration closes.

And the way is prepared for the new.

The transition continues.

The throne is still governing.

EN

purpose of God is moving forward.

# Chapter 6

## The Kings of the Earth Hide — The Collapse of the Old Administration

### Revelation 6:15

*“And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;”*

Now the shaking reaches its most personal level.

It reaches the rulers.

It reaches the administrators.

It reaches the men who embodied the first heaven and the first earth in visible form.

Because when an administration ends, those who ruled within that administration lose their place with it.

---

## These Kings Represent the Ruling Structure of the First Heaven and Earth

John lists them carefully:

- Kings of the earth
- Great men
- Rich men

EN

ptains

mighty men

- Bondmen
- Free men

This covers the entire spectrum of earthly authority.

Political authority.

Economic authority.

Military authority.

Social authority.

Religious authority.

And even personal identity within that system.

This is not just about individuals.

This is about the collapse of an entire order of rulership.

Everything that derived its authority from the first heaven and the first earth is now being shaken.

---

## They Hide Because Their Administration Is Ending

They hide themselves in dens and rocks.

EN

ure of retreat.

A picture of systems losing their confidence.

A picture of authority losing its foundation.

Because the heaven that authorized them has departed.

The earth that supported them is being shaken.

The administration they depended on is ending.

And without that administration, their position cannot stand.

---

## This Is the Removal of the Old Order's Authority

This fulfills another witness of Scripture.

### Daniel 2:35

*"...the stone that smote the image became a great mountain, and filled the whole earth."*

Before the new mountain fills the earth, the old image must collapse.

Before the new government fills creation, the old government must be removed.

The kings hiding represent that moment.

Their authority is dissolving.

Their order is ending.

EN

is passing away.

# **This Is Deliverance from the First Administration — Not the Destruction of Humanity**

This is important to understand clearly.

The shaking is not for the destruction of people.

It is for the removal of the system that governed them.

Men are not the enemy.

The administration of death is the enemy.

The mindset of the first heaven and earth is what is being removed.

So that humanity can live under a new heaven.

A new administration.

A new headship.

This is liberation.

Not annihilation.

Transition.

Not abandonment.

# The Entire First World System Is Losing Its Place

Everything that derived its identity from the first order is now unstable.

Kings.

Captains.

Rich men.

Mighty men.

Every level of authority.

Because the foundation beneath them is being removed.

The scroll has rolled up.

The mountains have moved.

The heaven has departed.

And now those who ruled under that heaven can no longer remain where they were.

---

## This Is the Necessary Step Before the New Government Appears

Before the kingdoms of this world can become the kingdoms of our Lord, the kingdoms of the first administration must release their hold.

Before the new heaven governs, the old heaven must depart.

Before the new order fills the earth, the old order must be shaken loose.

This is that moment.

The kings hide.

The old administration collapses.

The first heaven and earth continue to pass away.

And the throne prepares to establish its final order.

## Chapter 7

### “Hide Us from the Face of Him” — The Direct Confrontation with the Throne

#### Revelation 6:16

*“And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:”*

Now the Sixth Seal reaches its most revealing moment.

For the first time in the sequence, the focus is not on the earthquake.

Not on the sun.

Not on the stars.

Not on the mountains.

But on **the Face**.

The Face of Him who sits on the throne.

And the Lamb.

Because the true power of the Sixth Seal is not found in the shaking itself.

It is found in the **appearing of the One who is shaking everything.**

---

## **This Is the Moment Creation Confronts Its True Ruler**

The kings and great men cry out:

“Hide us from His face.”

This is not merely fear of destruction.

This is exposure.

Because when the throne is revealed, everything that was built under the first administration is exposed for what it truly is.

Every false authority.

Every temporary system.

Every borrowed throne.

Every derived power.

EN

The appearing of the true throne removes the illusion of all lesser thrones.

# The Issue Is the Face — The Unveiling of Authority

Throughout Scripture, the face represents revealed presence.

Revealed authority.

Revealed identity.

To see His face is to encounter reality as it truly is.

Under the first heaven and earth, that face was veiled.

Hidden behind administrations.

Hidden behind shadows.

Hidden behind systems.

But now, under the Sixth Seal, the covering is removed.

The throne is no longer hidden.

The Lamb is no longer veiled.

The true government of creation is revealed.

---

EN

**Death of the Lamb Is the Removal of All  
That Cannot Remain**

They also cry out to hide from “the wrath of the Lamb.”

This reveals something extraordinary.

The Lamb — the One slain — is now revealed as the One whose presence removes the old world.

His wrath is not rage.

It is not uncontrolled anger.

It is the irresistible authority of truth appearing.

It is the presence of the new removing the old.

It is life swallowing death.

Light removing darkness.

Reality dissolving illusion.

His wrath is His appearing.

---

## **This Is the Moment the First Administration Fully Loses Its Covering**

Under the first heaven, men could rule without fully seeing Him.

They could operate in partial light.

EN

Partial authority.

Partial revelation.

But now that heaven has departed.

The scroll has rolled up.

The throne is openly revealed.

And everything must answer to the Lamb directly.

Nothing can remain hidden.

Nothing can remain independent.

Nothing can remain outside His revealed authority.

---

## **This Is the Fulfillment of Heaven's Purpose — The Throne Fully Revealed**

From the beginning, the throne has always governed creation.

But now it is no longer hidden behind the first administration.

Now it stands revealed as the direct authority over all.

This fulfills what Daniel saw:

### **Daniel 7:14**

EN

*...as given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him..."*

The Sixth Seal reveals that dominion openly.

The Lamb is no longer hidden.

The throne is no longer veiled.

The old heaven is gone.

And the new government stands in full view.

---

## This Prepares the Final Transfer of All Kingdoms

This moment prepares the declaration that will later be spoken:

**“The kingdoms of this world are become the kingdoms of our Lord, and of His Christ.”**

Because once the throne is revealed fully...

Once the first heaven has departed...

Once the old rulers have lost their place...

There remains only one authority.

One throne.

One kingdom.

The new government now stands revealed.

The first administration has ended.

And the final administration is ready to appear.

## Chapter 8

# “The Great Day of His Wrath Is Come” — The Completion of the Transfer Between Two Worlds

### Revelation 6:17

*“For the great day of his wrath is come; and who shall be able to stand?”*

With this final declaration, the Sixth Seal reaches its climax.

Not the destruction of creation—

But the **completion of a transfer.**

The transfer from one administration to another.

The transfer from one heaven and earth to another.

The transfer from Adam’s world to Christ’s world.

This is why the voice declares:

**“The great day of His wrath is come.”**

Because this is the day when the first order can no longer continue.

# This “Day” Is the Appearing of a New Ruling Order

In Scripture, the “day of the Lord” is never merely a 24-hour period.

It is a moment of divine appearing.

A moment when God’s government becomes openly manifest.

A moment when one order ends and another begins.

Peter described it this way:

## 2 Peter 3:10

*“The day of the Lord will come... in which the heavens shall pass away... and the elements shall melt with fervent heat...”*

This is not the destruction of existence.

It is the dissolution of an administration.

The melting of a system.

The end of the first heaven and earth’s authority.

And the full appearing of the new.

---

## The Wrath Is the Final Removal of the First Government

EN

This wrath is not aimed at the destruction of humanity.

It is aimed at the removal of Adam's rulership.

Because Adam's administration cannot coexist with Christ's.

The first man cannot share the throne with the Second Man.

One must give way.

Paul revealed this exact transfer:

### **1 Corinthians 15:47**

*"The first man is of the earth, earthy: the second man is the Lord from heaven."*

The Sixth Seal is the moment when the government of the earthy man reaches its end.

And the government of the heavenly Man stands revealed.

---

## **"Who Shall Be Able to Stand?" — Only What Is Built on the Throne**

This final question is the most important:

### **Who shall be able to stand?**

Not who will survive destruction.

But who can remain under the new administration.

Because everything built on the first heaven is removed.

Only what is born from the throne can remain.

This is exactly what Hebrews declared:

### **Hebrews 12:27–28**

*“The removing of those things that are shaken... that those things which cannot be shaken may remain. Wherefore we receiving a kingdom which cannot be moved...”*

The shaking removes the temporary.

So the permanent can remain.

---

## **This Is the Fulfillment of Heaven’s Original Purpose**

From the beginning, heaven has governed earth.

The throne has always been the source.

Now that source stands fully revealed.

Now its government stands fully established.

This fulfills what John would later see:

### **Revelation 21:1**

*"And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away."*

This is not a different creation.

It is a different administration.

A different ruling order.

A different government.

The throne now governs without veil.

Without obstruction.

Without rival.

---

## **This Is the Completion of the Sixth Seal's Work**

The Sixth Seal has accomplished its purpose.

The old heaven has departed.

The old earth has been shaken.

The old rulers have lost their place.

The throne has been revealed.

The old rulers have lost their place.

And the transfer is complete.

Now only one question remains.

Who will stand in the administration of the Lamb?

Because the next movement will reveal those who belong to this unshakable kingdom.

## Chapter 9

### The Ones Who Stand — The Emergence of the Unshakable Kingdom

The Sixth Seal ends with a question that echoes through heaven and earth:

**“Who shall be able to stand?”**

This question is not left unanswered.

Because immediately after the Sixth Seal, the Revelation shows the answer.

Not in theory.

Not in prophecy alone.

But in manifestation.

There is a company that stands.

EN

people that remain.

There is a kingdom that cannot be shaken.

---

## **The Answer Appears in the Sealing of the Servants of God**

After the shaking of heaven and earth, John sees something extraordinary.

He sees servants being sealed.

Marked.

Established.

Preserved.

This sealing is not about escape.

It is about identity.

It reveals those who belong to the throne's administration.

Those who are not built on the first heaven.

Those who are born of the new.

Because when everything built on Adam is shaken, only what is built on Christ can stand.

---

# These Are the Ones Formed by the Work of the Previous Seals

The ones who stand are not separate from the seals.

They are the result of the seals.

The First Seal established Christ's conquest.

The Second Seal removed false peace.

The Third Seal measured and aligned.

The Fourth Seal ended Adam's authority.

The Fifth Seal revealed the altar-company.

And now, after the Sixth Seal removes the old heavens and earth...

The ones formed through this process stand revealed.

They are the fruit of the throne's administration.

---

## They Stand Because Their Foundation Is the Throne

Everything built on earth falls.

Everything built on systems falls.

Everything built on Adam falls.

But what is built on the throne remains.

Because the throne cannot be shaken.

This is why Paul declared:

**“Your life is hid with Christ in God.”**

What is hidden there cannot be removed here.

What is born there cannot be destroyed here.

What is established there cannot fall here.

Because its source is eternal.

---

## **This Is the Manifestation of the Kingdom That Cannot Be Moved**

The Sixth Seal removes the temporary.

So the permanent can appear.

The ones who stand are the manifestation of that permanent kingdom.

They are not preserved by strength.

They are preserved by origin.

EN

to the throne.

They are governed by the Lamb.

They live under a different heaven.

A different earth.

A different administration.

This fulfills what Daniel saw:

**“The saints of the most High shall take the kingdom.”**

Not by seizing it.

But by standing when everything else falls.

---

## **This Is the Beginning of the New Heaven and New Earth Administration**

The removal of the first makes room for the second.

The shaking of the old reveals the new.

The collapse of Adam’s world reveals Christ’s world.

The ones who stand are not survivors of destruction.

They are participants in a new creation.

EN

ng under a new government.

They are the first visible evidence that the transfer is complete.

The throne is no longer hidden.

Its kingdom is no longer future.

Its administration is now present.

And the ones who stand are the proof.

## Chapter 10

### God All in All — The Final Purpose of the Sixth Seal

The Sixth Seal is not the end.

It is the transition.

It is the moment when the first heaven and the first earth lose their place...

So the final purpose of God can appear without obstruction.

Because from the beginning, God never intended two administrations to remain forever.

He never intended Adam's heaven and Christ's heaven to coexist indefinitely.

He never intended the temporary to remain alongside the eternal.

EN

al completes the removal of the temporary.

So the eternal can stand alone.

---

## **This Is the Fulfillment of the Throne's Original Administration**

From the first moment John saw the throne, one truth was established:

Everything begins there.

One sat on the throne.

One held the scroll.

One administered the unfolding of history.

The seals did not originate in the earth.

They originated in heaven.

They were not reactions.

They were administrations.

Now, through the Sixth Seal, that same throne has completed another stage of its work.

It has removed the first administration.

It has revealed the final one.

THE THRONE now stands as the undisputed government of creation.

# The Removal of the First Makes Room for the Fullness of the Second

God does not remove without purpose.

He removes to establish.

He shakes to reveal.

He ends one order so another can stand in fullness.

Paul revealed the final outcome of this process:

**“Then cometh the end... when He shall have put down all rule and all authority and power.”**

This is not the destruction of creation.

It is the restoration of divine order.

It is the removal of every lesser administration.

So one administration remains.

The administration of Christ.

---

## This Leads to the Final Declaration — God All in

The ultimate purpose of every seal...

Every shaking...

Every removal...

Every revelation...

Is this:

**“That God may be all in all.”**

Not partially in all.

Not hidden within all.

But fully revealed in all.

Fully governing all.

Fully expressed through all.

Nothing remaining outside His life.

Nothing remaining outside His authority.

Nothing remaining outside His presence.

This is where the throne has always been leading creation.

---

# The Sixth Seal Is the Threshold Between Two Worlds

It is the closing of one heaven.

And the appearing of another.

It is the end of Adam's administration.

And the full unveiling of Christ's administration.

It is the removal of the first man's government.

And the establishment of the Second Man's kingdom.

This is why heaven and earth shook.

Because creation was being transferred from one head to another.

From Adam...

To Christ.

---

## The Throne That Began the Scroll Now Stands Fully Revealed at Its End

The same throne that appeared in the beginning...

The same Lamb who took the scroll...

The same authority that opened the seals...

Now stands revealed as the final government of creation.

Nothing remains outside its reach.

Nothing remains outside its administration.

Nothing remains outside its purpose.

The Sixth Seal has fulfilled its role.

The first heaven and earth have passed.

The new administration stands revealed.

And the throne now governs openly.

Until the day when every realm...

Every creature...

Every authority...

Every world...

Declares the final reality:

God is all in all.
