The Foundation of Christ: AUTHOR

By Carl Timothy Wray

[Carl Timothy Wray](#) writes with a focus on the full counsel of God, unveiling the finished work of Christ from Genesis to Revelation through clear, structured teaching and prophetic insight. His work centers on establishing believers in truth by returning to the foundation of Christ and building upward into maturity, alignment, and fullness. Through a consistent emphasis on Scripture, clarity, and spiritual progression, he equips readers to move beyond the beginning and into the perfection found in Christ — where doctrine is not only understood, but properly aligned to the unchanging standard of God.

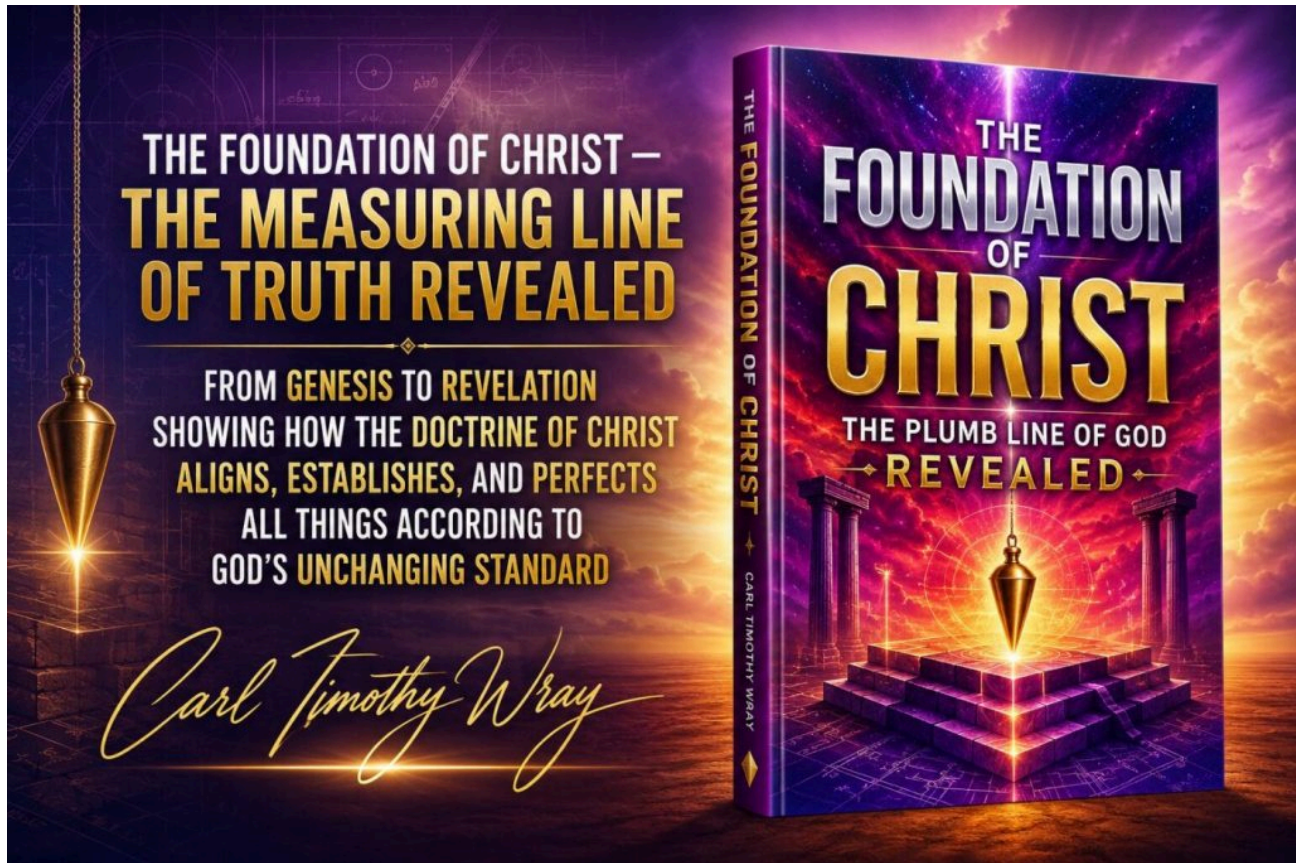

The Foundation of Christ — The Plumb Line of God Revealed is a powerful biblical teaching that anchors the doctrine of Christ in Hebrews 6 while tracing the unchanging standard of God's truth from Genesis to Revelation. This book reveals how the foundation of Christ serves as the measuring line by which all doctrine, faith, and spiritual growth must be aligned. By connecting the plumb line revealed in the prophets with the finished work of Christ and the teachings of the apostles, readers will gain clarity on repentance, faith, baptisms, resurrection, and eternal judgment as foundational realities that must be established correctly. Designed for both seekers and mature believers, this book provides a clear path from the beginning principles of Christ to full maturity, helping readers build their

The Foundation of Christ: INTRODUCTION

THERE IS A LINE THAT GOD HAS DRAWN

There is a line that God has drawn — and everything built in His name must be measured by it.

It is not a line shaped by tradition, adjusted by doctrine, or influenced by the opinions of men. It is not moved by time, culture, or interpretation. It is fixed. It is established. It is unchanging.

 EN

And it proceeds from God Himself.

This line is not merely a concept — it is the standard by which all things are aligned, tested, and established. It is the measure of truth, the line of righteousness, and the plumb line by which everything built in the name of Christ is either confirmed or exposed.

The question is not whether something is built.

The question is:

👉 **Was it built according to the line?**

THE FOUNDATION OF CHRIST AND THE PLUMB LINE

The foundation of Christ, revealed in Hebrews 6, is not simply a list of doctrines. It is the beginning — the place where everything must first be set in order before anything can be built.

Repentance from dead works.

Faith toward God.

The doctrine of baptisms.

Laying on of hands.

Resurrection of the dead.

Eternal judgment.

These are not optional teachings. They are not stepping stones to be revisited endlessly. They are the foundation that must be laid — once, correctly, and in full alignment with the truth.

But a foundation alone is not enough.

A foundation must be measured.

And this is where the plumb line is revealed.

From Genesis to Revelation, God has never changed His standard. He has always measured what is built. He has always revealed what aligns and what does not. He has always established truth as the line by which all things stand or fall.

The plumb line does not create the foundation — it reveals whether the foundation has been laid correctly.

THE PROBLEM OF MISALIGNED FOUNDATIONS

Many seek growth, revelation, and maturity, yet remain in cycles of repetition and instability.

They return again and again to the same principles...

They revisit the same teachings...

They attempt to build higher without ever being properly aligned.

The issue is not desire.

The issue is foundation.

👉 A foundation that is continually relaid has never been properly set.

And if it has not been measured by the line, it cannot support what is built upon it.

This is why confusion persists. This is why doctrine conflicts. This is why growth is often attempted but rarely established.

Because the line has not been applied.

THE PURPOSE OF THIS BOOK

This book returns to the foundation of Christ — not to remain there, but to ensure that it is laid correctly.

It brings the plumb line into view, tracing the unchanging standard of God from Genesis to Revelation, showing that what God established in the beginning has never shifted and will never change.

It reveals:

- That God has always measured what is built
- That Christ is the embodiment of that measure
- That the doctrine of Christ must align with that standard
- That everything not aligned will be exposed
- And that only what is built according to the truth will remain

This is not a call to return to the beginning.

☞ It is a call to establish the beginning correctly...

So that what is built upon it can stand.

THE CALL THAT REMAINS

The call of Hebrews still stands:

- ☞ Leave the principles of the doctrine of Christ
- ☞ And go on unto perfection

EN

not happen until the foundation is set.

And the foundation cannot be set until it is measured.

So the question remains:

👉 Has the foundation of Christ been laid...
or has it only been repeated?

CHAPTER 1

THE FOUNDATION OF CHRIST — THE BEGINNING THAT MUST BE LAID

“Therefore leaving the principles of the doctrine of Christ, let us go on unto
perfection...” — Hebrews 6:1

THE FOUNDATION OF CHRIST IS NOT OPTIONAL

The foundation of Christ is not a suggestion.

It is not a teaching to consider, a concept to explore, or a doctrine to debate. It is
the beginning that God Himself has established — the place where everything must
start if it is to stand.

👉 “Other foundation can no man lay than that is laid, which is Jesus Christ.” — 1
Corinthians 3:11

This is not one foundation among many.

This is **the foundation**.

Everything that is built in the name of God must begin here. If it does not, it may appear strong for a time, but it will not endure. It may look established, but it is not aligned. It may grow, but it is not rooted.

Because the issue is not activity.

👉 The issue is foundation.

THE CALL IS NOT TO BEGIN — BUT TO BUILD

Hebrews does not call believers to discover the foundation.

It calls them to **move beyond it**.

👉 "Leaving the principles of the doctrine of Christ..."

This is not abandonment.

This is progression.

The foundation of Christ is not meant to be revisited endlessly. It is meant to be laid — once, clearly, and correctly — so that what follows can be built upon it.

But many remain at the beginning.

They cycle through the same truths.

They revisit the same principles.

They attempt to grow without ever being established.

The result is movement without progress.

Because what has not been properly laid cannot support what is being built.

A FOUNDATION THAT IS REPEATED IS A FOUNDATION NOT ESTABLISHED

There is a difference between hearing truth and being established in it.

Many have heard of repentance.

Many have heard of faith.

Many have been taught doctrine.

But hearing is not the same as being set.

👉 A foundation that is continually relaid has never been properly set.

This is why cycles persist.

Repentance becomes routine instead of transformative.

Faith becomes effort instead of rest.

Doctrine becomes information instead of life.

The issue is not the truth itself.

👉 The issue is whether it has been laid in alignment with the standard.

THE FOUNDATION MUST BE MEASURED

A foundation is only as strong as its alignment.

It is not enough to lay something — it must be laid according to the line.

This is why Scripture declares:

☞ “Judgment also will I lay to the line, and righteousness to the plummet.” — Isaiah 28:17

God does not simply accept what is built.

He measures it.

He aligns it.

He establishes it according to His standard.

This is where the plumb line enters.

The plumb line does not create the foundation.

☞ It reveals whether the foundation is true.

WITHOUT ALIGNMENT, NOTHING CAN STAND

Jesus made this clear when He spoke of two builders:

☞ “Whosoever heareth these sayings of mine, and doeth them, I will liken him unto a wise man...

And every one that heareth... and doeth them not, shall be likened unto a foolish man...” — Luke 6:47–49

Both built.

Both constructed something.

EN

d time and effort.

But only one stood.

Why?

- 👉 One was aligned to the foundation.
- 👉 The other was not.

The difference was not effort.

- 👉 The difference was alignment.

THE FOUNDATION OF CHRIST DEFINES THE PATH

The foundation of Christ does not merely establish where you begin.

It determines where you are going.

If it is laid correctly:

- Growth becomes natural
- Understanding becomes clear
- Progress becomes steady

But if it is misaligned:

- Confusion increases
- Contradiction appears
- Effort replaces rest

EN

beginning determines the end.

👉 What is crooked at the foundation cannot become straight at the top.

THE PURPOSE OF THE FOUNDATION

The foundation is not the goal.

It is the preparation.

It establishes:

- The source of life
- The direction of faith
- The identity of the believer
- The order of God
- The reality of resurrection
- The certainty of judgment

Everything that follows depends on whether these are set correctly.

Not partially.

Not conceptually.

👉 But truly established.

THE DECISION BEFORE YOU

The question is not whether the foundation of Christ exists.

The question is:

☞ Has it been laid in you?

Not heard...

Not studied...

Not revisited...

☞ But laid.

Set.

Aligned.

Established.

THE CALL THAT REMAINS

The call of Hebrews still stands:

☞ Leave the beginning

☞ And go on unto perfection

But you cannot leave what has not been laid.

You cannot build on what has not been set.

You cannot progress from what has not been established.

Lay the foundation.

Lay it correctly.

Lay it according to the line.

And from that place...

👉 **build.**

CHAPTER 2

THE FOUNDATION OF CHRIST IN GENESIS — LIGHT AS THE FIRST MEASUREMENT

“And God said, Let there be light: and there was light. And God saw the light, that it was good...” — Genesis 1:3–4

THE FOUNDATION OF CHRIST BEGINS IN THE MIND OF GOD

The foundation of Christ did not begin in Hebrews.

It did not begin with the apostles.

It did not begin at the cross.

👉 It began in the mind of God before anything was created.

Before there was form...

Before there was structure...

Before anything was built...

EN

...is a standard.

God did not create blindly. He did not speak without purpose. Everything that came forth from Him was already aligned with His nature, His truth, and His order.

This is the unseen beginning of the foundation of Christ.

LIGHT WAS THE FIRST MEASUREMENT

The first recorded act of God reveals something profound:

☞ "Let there be light."

This was not simply the creation of illumination.

☞ It was the establishment of **measurement**.

Light reveals.

Light exposes.

Light separates.

"And God saw the light, that it was good: and God divided the light from the darkness."

Here we see the first operation of the plumb line:

- Light = what aligns
- Darkness = what does not

God did not create and leave things undefined.

☞ He created and then **measured what He created**.

GOD DEFINES WHAT IS GOOD

Notice carefully:

☞ "God saw the light, that it was good."

This is critical.

God did not ask creation what was good.

He did not consult another source.

☞ He defined it Himself.

This reveals the nature of the plumb line:

- It does not adjust
- It does not negotiate
- It does not evolve

☞ It proceeds from God alone

The foundation of Christ carries this same nature.

Truth is not discovered by man.

☞ It is established by God.

EN

ON WAS BUILT ACCORDING TO THE LINE

Everything that follows in Genesis 1 flows from this established order.

God speaks.

God creates.

God evaluates.

☞ Again and again:

“And God saw that it was good.”

This is not repetition for emphasis.

☞ This is **measurement in action**.

Creation itself was built according to a standard.

Nothing was random.

Nothing was out of alignment.

Nothing was left unmeasured.

MAN WAS CREATED TO ALIGN WITH THE STANDARD

When God created man, He did not create him independent of the line.

☞ “Let us make man in our image, after our likeness...” — Genesis 1:26

Man was created:

EN

ment with God
ng to His nature

- Within His order

This is the original foundation.

Man was not meant to find truth.

👉 He was created already aligned with it.

THE FIRST DEVIATION FROM THE LINE

The fall of man was not merely disobedience.

👉 It was misalignment.

When man turned from God's word, he stepped outside of the standard that defined him.

"And the Lord God commanded the man..." — Genesis 2:16–17

The command was not restriction.

👉 It was alignment.

But when man chose another voice, another source, another definition...

👉 He moved off the line.

MISALIGNMENT PRODUCES CORRUPTION

By the time we reach Genesis 6, the result is clear:

☞ "Every imagination of the thoughts of his heart was only evil continually." —
Genesis 6:5

This is not just sin.

☞ This is a structure completely out of alignment.

The foundation had been abandoned.

The line had been ignored.

And what was built became:

- Corrupt
- Distorted
- Unsustainable

GOD DOES NOT IGNORE MISALIGNMENT

When what is built no longer aligns, God does not overlook it.

☞ He addresses it.

The flood was not random judgment.

☞ It was a response to total misalignment.

God was not destroying creation...

☞ He was correcting what had moved completely off the line.

THE FOUNDATION REMAINS UNCHANGED

Even though man moved, God did not.

Even though creation became corrupted, the standard did not shift.

☞ "I know that, whatsoever God doeth, it shall be for ever..." — Ecclesiastes 3:14

This is the key:

- Man changes
- Systems change
- Structures change

☞ But God's line never changes

THE THREAD IS NOW VISIBLE

From Genesis, we now see the beginning of the thread:

1. God establishes truth (light)
2. God measures what He creates
3. Man is created aligned
4. Man deviates
5. Corruption enters
6. God responds to misalignment

This is the same pattern that will continue:

☞ Through the Law

EN

the Prophets

Christ

- ☛ Through the Apostles
 - ☛ Into Revelation
-

THE FOUNDATION OF CHRIST WAS ALWAYS THE STANDARD

What is revealed later in Christ...

- ☛ Was already present in the beginning

The foundation of Christ is not a new idea.

It is the unveiling of what has always been true.

The same God who said:

- ☛ "Let there be light"

Is the same God who later reveals:

- ☛ The doctrine of Christ
 - ☛ The plumb line
 - ☛ The standard of truth
-

THE CALL TO SEE CLEARLY

Do not think of Genesis as the beginning of a story.

EN

revealing of a pattern.

Do not see light as only creation.

☞ See it as measurement.

Do not see the fall as only sin.

☞ See it as misalignment.

THE DECISION BEFORE YOU

The same question remains:

☞ Are you aligned with the light...
or are you defining your own standard?

Because from the beginning until now:

☞ God has never changed His line.

Lay hold of what was established in the beginning.

Return to the light.

Align with the truth.

And from that place...

☞ **build.**

CHAPTER 3

THE FOUNDATION OF CHRIST UNDER THE LAW — DO NOT TURN TO THE RIGHT OR LEFT

“Ye shall observe to do therefore as the Lord your God hath commanded you: ye shall not turn aside to the right hand or to the left.” — Deuteronomy 5:32

THE FOUNDATION OF CHRIST IS MADE VISIBLE

What began in Genesis as an internal standard — light, truth, alignment in God’s mind — now becomes **visible and defined** under the Law.

God does not change His standard.

☞ He reveals it.

What was once unseen is now written.

What was once internal is now external.

What was once known in God’s mind is now declared to man.

This is the purpose of the Law.

Not to create truth...

☞ But to reveal it.

THE LAW IS THE LINE MADE CLEAR

The Law was not given as a burden.

It was given as a **measurement**.

☞ "Thou shalt not turn aside... to the right hand or to the left."

This is plumb line language.

It reveals:

- There is a straight path
- There is a defined alignment
- There is a standard that does not move

The Law does not negotiate.

It does not adjust to man.

☞ It defines what is straight.

THE PURPOSE OF THE LAW IS ALIGNMENT

Many misunderstand the Law as an attempt to make man righteous.

But the Law was never given to produce righteousness.

☞ It was given to reveal misalignment.

As it is written:

☞ "By the law is the knowledge of sin." — Romans 3:20

EN

WS:

- What aligns with God
- What deviates from Him

It does not fix the problem.

☞ It exposes it.

THE LINE DOES NOT BEND — MAN DOES

God did not give the Law to adapt to man's condition.

He gave it to reveal how far man had moved from the line.

☞ "To the law and to the testimony: if they speak not according to this word, it is because there is no light in them." — Isaiah 8:20

This is critical.

The issue is not:

☞ "Is the Law too strict?"

The issue is:

☞ "Where is man in relation to the line?"

THE LAW REVEALS THE NEED FOR THE FOUNDATION

The more clearly the Law defines the standard...

☞ The more clearly it reveals man's inability to meet it.

This is not failure of the Law.

☞ This is its purpose.

It shows that:

- Man cannot align himself
- Effort cannot produce righteousness
- The foundation must come from God

The Law prepares the way for Christ.

MISALIGNMENT UNDER THE LAW PRODUCES CURVATURE

When man attempts to live under the Law without alignment to God, the result is distortion.

☞ "They have turned aside quickly out of the way..." — Exodus 32:8

Even with the standard clearly revealed, man still:

- Turns
- Deviates
- Adjusts truth to fit himself

This creates curvature where there should be straightness.

EN

en becomes:

- A modified version of truth
 - A bent interpretation of the line
 - An attempt to make crooked things acceptable
-

THE WARNING: DO NOT TURN

The command is simple:

👉 Do not turn.

Not to the right.

Not to the left.

Why?

Because even a small deviation at the beginning...

👉 Produces a massive misalignment at the end.

This is the nature of the plumb line.

It does not tolerate variation.

It defines exactness.

THE LAW CANNOT ESTABLISH — ONLY REVEAL

The Law can show the line...

...cannot place a man on it.

This is why Scripture declares:

☞ "If there had been a law given which could have given life, verily righteousness should have been by the law." — Galatians 3:21

But it could not.

Because alignment cannot come from effort.

☞ It must come from foundation.

THE FOUNDATION OF CHRIST WAS ALWAYS THE ANSWER

The Law exposes the problem.

Christ provides the solution.

The Law says:

☞ "This is the line."

Christ says:

☞ "I am the line."

This is the transition.

From external measurement...

☞ to internal alignment.

THE THREAD CONTINUES

Now we see the pattern expanding:

- Genesis → Light establishes the standard
- Law → The standard is written and revealed
- Man → Unable to align himself

👉 Next comes the Prophets...

Where God will no longer just declare the line...

👉 He will **set it in the midst of His people**

THE DECISION BEFORE YOU

The question is not whether the line exists.

It has been revealed.

The question is:

👉 Are you turning?

To the right...

To the left...

Adjusting truth to fit your understanding...

aligning fully with what God has declared?

Do not bend the line.

Do not adjust the standard.

Do not redefine what God has established.

Stand where He has spoken.

Align with what He has revealed.

And from that place...

👉 **build.**

CHAPTER 4

THE FOUNDATION OF CHRIST IN THE PROPHETS — THE PLUMB LINE SET IN THE MIDST

“Thus he shewed me: and, behold, the Lord stood upon a wall made by a plumb line, with a plumb line in his hand... I will set a plumb line in the midst of my people...” — Amos 7:7–8

THE FOUNDATION OF CHRIST IS NOW ACTIVELY MEASURED

Under the Law, the line was declared.

Through the Prophets, the line is now **applied**.

EN

nger only speaking truth...

👉 He is measuring what has been built by it.

“Behold, the Lord stood upon a wall...”

This is not abstract.

This is a structure.

This is something that has already been built in the name of God.

And now...

👉 It is being measured.

THE WALL REVEALS WHAT HAS BEEN BUILT

The wall represents:

- Doctrine
- Worship
- Identity
- Everything established in God’s name

It was not built in ignorance.

It was built with intention.

But intention does not guarantee alignment.

👉 The question is not:

“Was something built?”

👉 The question is:

“Was it built according to the line?”

THE PLUMB LINE IS SET IN THE MIDST

God does not measure from a distance.

👉 “I will set a plumb line in the midst of my people.”

This is critical.

The plumb line is not outside of them.

It is not theoretical.

👉 It is placed **within their environment... within their system... within what they have built**

This means:

- Nothing is exempt
 - Nothing is hidden
 - Nothing avoids measurement
-

THE LINE DOES NOT ADJUST — IT EXPOSES

When the plumb line is set, it does not bend to fit the wall.

EN

is revealed by the line.

If it is straight...

☞ It is confirmed.

If it is crooked...

☞ It is exposed.

This is the nature of God's judgment.

It is not arbitrary.

☞ It is alignment revealed.

GOD WILL NOT PASS BY MISALIGNMENT

The declaration is direct:

☞ "I will not again pass by them anymore."

This is not emotional.

This is structural.

God is saying:

☞ "What is out of alignment will not be ignored."

There comes a point where:

EN

on ends

- Warning ends
- Exposure begins

Because what is built must be measured.

THE PROPHETS DO NOT CREATE THE LINE — THEY REVEAL IT

Amos did not invent the plumb line.

Isaiah did not define righteousness.

The prophets:

👉 **Reveal what God has already established**

This is why their message is often rejected.

Because they do not adjust truth...

👉 They confront misalignment.

THE SAME PATTERN IN ISAIAH

The plumb line in Amos is confirmed in Isaiah:

👉 "Judgment also will I lay to the line, and righteousness to the plummet." — Isaiah
28:17

Now we see the full operation:

- Line = standard
- Plummet = vertical truth
- Judgment = enforcement

This is not theory.

☞ This is how God establishes what remains.

RELIGION RESISTS THE PLUMB LINE

When the plumb line is set, it exposes what has been built incorrectly.

This is why resistance comes.

Because the line reveals:

- Where truth has been altered
- Where doctrine has been bent
- Where systems have replaced alignment

And what has been built over time...

☞ Does not easily submit to correction.

THE FOUNDATION OF CHRIST IS NOW BEING TESTED

Everything that claims to be built on God is now brought into alignment with the

Not partially.

☞ Completely.

This includes:

- Teaching
- Belief
- Practice
- Structure

Nothing escapes the measure.

THE THREAD IS NOW CLEAR

We now see the progression:

- Genesis → The standard is established (light)
- Law → The standard is written
- Prophets → The standard is applied

And now something greater is coming...

☞ The standard will no longer be written or revealed through prophets alone

☞ It will be **embodied**

THE NEXT REVELATION

EN

ne will not remain a tool.

It will become a Person.

Not something you measure with...

☞ But Someone everything is measured against.

THE DECISION BEFORE YOU

The plumb line has been set.

Not outside of you...

☞ But in the midst.

So the question is no longer:

“Is there a standard?”

The question is:

☞ What does the line reveal?

Is what has been built:

- Straight...
 - Or adjusted...
 - Aligned...
 - Or modified...
-

EN

at the line.

Do not defend what it exposes.

Do not preserve what God is measuring.

Let it reveal.

Let it align.

Let it correct.

Because only what is built according to the line...

👉 **will stand.**

CHAPTER 5

THE FOUNDATION OF CHRIST REVEALED IN JESUS — THE WORD MADE FLESH

“And the Word was made flesh, and dwelt among us...” — John 1:14

THE FOUNDATION OF CHRIST IS NOW MADE VISIBLE

Everything that was established in Genesis...

Declared in the Law...

Revealed through the Prophets...

👉 Is now **standing in front of man.**

The plumb line is no longer:

EN

pt
and

- A prophetic vision

☞ It is a **living reality**

“The Word was made flesh...”

Truth is no longer written on stone.

☞ It is walking, speaking, and revealing itself in Christ.

JESUS IS NOT A MESSENGER OF THE LINE — HE IS THE LINE

Jesus did not come merely to teach truth.

He did not come to explain the standard.

☞ He came as the standard.

“I am the way, the truth, and the life...” — John 14:6

This is absolute.

Not:

☞ “I show the truth”

☞ “I point to the truth”

But:

EN

☞ “I am the truth.”

This means:

- Everything is measured by Him
 - Everything aligns to Him
 - Everything outside of Him is exposed
-

THE FOUNDATION OF CHRIST IS PERFECT ALIGNMENT

Where the Law revealed the line...

And the Prophets applied the line...

☞ Christ fulfills the line.

He does not bend.

He does not deviate.

He does not adjust to man.

☞ He is perfect alignment with the Father.

"I do always those things that please him." — John 8:29

This is the plumb line in its purest form.

**CHRIST REVEALS WHAT IS STRAIGHT AND
IS CROOKED**

EN

When Jesus came, division followed.

Not because He created conflict...

☞ But because He revealed alignment.

“Behold, this child is set for the fall and rising again of many...” — Luke 2:34

This is plumb line language.

- Those aligned → rise
- Those misaligned → fall

The difference is not preference.

☞ The difference is position relative to Him.

THE STONE THAT DEFINES THE FOUNDATION

Jesus is also revealed as the cornerstone:

☞ “The stone which the builders rejected, the same is become the head of the corner...” — Matthew 21:42

The cornerstone determines:

- Direction
- Alignment
- Structure

EN

must be measured from it.

If the cornerstone is rejected...

☞ The entire structure is off.

THE FOUNDATION OF CHRIST EXPOSES FALSE BUILDING

When Christ is present, what is built is revealed.

Not by effort...

☞ But by comparison.

Religious systems that appeared strong...

Doctrines that seemed established...

Traditions that were accepted...

☞ Were exposed simply by His presence.

Because the line had arrived.

CHRIST DOES NOT ADJUST TO WHAT HAS BEEN BUILT

This is where many stumble.

They expect the line to move.

EN

truth to adapt.

They expect Christ to align with what has already been established.

But He does not.

☞ What is built must align to Him.

Not the other way around.

THE FOUNDATION OF CHRIST IS NOW PERSONAL

The plumb line is no longer:

☞ Something external to observe

It becomes:

☞ Someone you must align with

This changes everything.

Because now the question is not:

“Do I understand the standard?”

☞ The question is:

“Am I aligned with Christ?”

THE THREAD IS FULFILLED IN HIM

Now the pattern is complete:

- Genesis → Light establishes the standard
- Law → The standard is written
- Prophets → The standard is applied
- Christ → The standard is embodied

Everything leads here.

Everything is fulfilled here.

THE NEXT PHASE — BUILDING ON THE FOUNDATION

Now that the foundation is revealed in Christ...

👉 The question becomes:

What will be built upon Him?

Because not everything that claims Christ...

👉 Aligns with Christ.

THE DECISION BEFORE YOU

EN

...no longer measuring against a concept.

You are standing before the line itself.

So the question is clear:

👉 Are you aligned with Christ...
or are you aligning Christ with what you have built?

Do not redefine Him.
Do not reshape Him.
Do not lower the standard.

Let Him stand as He is.

Let Him reveal what is true.

Let Him align everything in you.

Because now...

👉 **the line has a face.**

CHAPTER 6

THE FOUNDATION OF CHRIST THROUGH THE APOSTLES — BUILDING UPON THE LINE

“According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation... but let every man take heed how he buildeth thereupon.” — 1 Corinthians 3:10

THE FOUNDATION OF CHRIST HAS BEEN LAID — NOW WE BUILD

Christ is the foundation.

This is not in question.

What is now in question is:

👉 What is being built upon Him?

Because once the foundation is set...

👉 Building begins.

And not everything that is built will remain.

THE APOSTLES ARE MASTER BUILDERS

Paul makes this clear:

👉 "As a wise masterbuilder, I have laid the foundation..."

This is not pride.

This is responsibility.

The apostles were entrusted to:

EN

...n the foundation clearly
...and according to the line

- Ensure alignment with Christ

They were not building something new.

☞ They were building upon what had already been established.

THE WARNING: TAKE HEED HOW YOU BUILD

The instruction is direct:

☞ "Let every man take heed how he buildeth thereupon."

Not:

☞ "Take heed if you build"

☞ "Take heed what you build"

But:

☞ **HOW you build**

This is about alignment.

Because you can:

- Use the right foundation
- Speak the right name
- Claim the right source

☞ And still build incorrectly

NOT EVERYTHING BUILT ON CHRIST IS ALIGNED WITH CHRIST

This is one of the most sobering truths.

Just because something is built "on Christ"...

☞ Does not mean it aligns with Him.

Doctrine can drift.

Teaching can bend.

Systems can develop that no longer reflect the line.

This is why measurement is still required.

THE MATERIALS REVEAL THE ALIGNMENT

Paul continues:

☞ "If any man build upon this foundation gold, silver, precious stones, wood, hay, stubble..." — 1 Corinthians 3:12

These are not random materials.

They represent:

- What is of God (enduring)
- What is of man (temporary)

EN

...uilt carries a nature.

And that nature will be revealed.

EVERYTHING WILL BE TESTED BY THE LINE

☞ "Every man's work shall be made manifest... the fire shall try every man's work of what sort it is." — 1 Corinthians 3:13

This is the same pattern we've seen:

- Genesis → God saw and evaluated
- Law → God defined
- Prophets → God measured
- Christ → God revealed
- Apostles → God tests

☞ Nothing escapes measurement

FIRE DOES NOT DESTROY WHAT IS TRUE

Fire is not the enemy.

☞ It is the revealer.

What aligns with the foundation:

☞ Remains

What does not:

EN

ed

This is not punishment.

☞ This is purification.

THE FOUNDATION OF CHRIST DEMANDS ALIGNMENT IN BUILDING

You cannot build however you want.

You cannot define truth as you go.

You cannot shape doctrine to fit preference.

☞ The foundation determines the structure.

Everything must:

- Align with Christ
 - Reflect His nature
 - Remain true to the line
-

GOD GIVES THE INCREASE — NOT MAN

Paul makes another key statement:

☞ "I have planted, Apollos watered; but God gave the increase." — 1 Corinthians 3:6

EN

s striving.

Because building is not about:

- Human effort
- Personal ability
- Religious performance

☞ It is about alignment with God

When the structure aligns with the foundation...

☞ Life flows naturally

THE FOUNDATION OF CHRIST PRODUCES A TRUE BUILD

When building is aligned:

- Doctrine carries life
- Faith produces rest
- Growth becomes natural
- Structure becomes stable

But when it is misaligned:

- Effort increases
- Confusion multiplies
- Instability appears

Because the structure does not match the foundation.

THE THREAD CONTINUES

Now the pattern expands:

- Christ → The foundation is revealed
- Apostles → The foundation is built upon
- Fire → The structure is tested

And now we move deeper...

☞ Into the foundation itself

Where each part of the doctrine of Christ...

☞ Is revealed as a measuring stone

THE NEXT REVELATION

The foundation is not abstract.

It is structured.

Defined.

Ordered.

☞ Six principles.

Six stones.

EN

ust be laid correctly.

THE DECISION BEFORE YOU

You are building.

Whether you realize it or not.

The question is not:

☞ "Are you building?"

The question is:

☞ "Is what you are building aligned with the foundation?"

Take heed how you build.

Do not trust appearance.

Do not assume alignment.

Measure everything.

Test everything.

Align everything with Christ.

Because only what is built according to the line...

☞ **will remain.**

EN

APTER 7

THE FOUNDATION OF CHRIST AND THE DOCTRINE OF CHRIST — THE SIX MEASURING STONES

“...not laying again the foundation of repentance from dead works, and of faith toward God, of the doctrine of baptisms, and of laying on of hands, and of resurrection of the dead, and of eternal judgment.” — Hebrews 6:1–2

THE FOUNDATION OF CHRIST IS STRUCTURED

The foundation of Christ is not abstract.

It is not undefined.

It is not open to interpretation.

☞ It is structured.

Hebrews 6 reveals that the foundation is made up of **six defined principles** — six stones that must be laid correctly for anything to be built upon them.

These are not random teachings.

☞ They are the **framework of alignment**

Each one reveals something essential.

Each one must be set in place.

EN

ust align with the line.

THE SIX STONES ARE THE MEASURE OF ALIGNMENT

These six principles are not merely doctrines to learn.

☞ They are **measuring points**

They reveal:

- Whether the foundation has been laid
- Whether the heart has been aligned
- Whether the structure can stand

If these are misunderstood...

☞ Everything built upon them is affected.

THE FIRST STONE — REPENTANCE FROM DEAD WORKS

Repentance is the beginning.

But not repentance from behavior alone.

☞ "Repentance from dead works"

This is the turning away from:

- Self as the source
-  EN as the means
- works as the foundation

Dead works are anything that proceeds from man and not from God.

Even what appears righteous...

☞ Is dead if it does not originate from Christ.

If this stone is not laid correctly:

- Everything becomes effort
 - Everything becomes striving
 - Everything becomes self-produced
-

THE SECOND STONE — FAITH TOWARD GOD

If repentance turns away from the wrong source...

☞ Faith establishes the right one.

Faith toward God is not:

- Mental agreement
- Emotional belief
- Human confidence

☞ It is trust in God as the source of all things.

Faith does not create.

☞ It receives.

EN

is misaligned:

- Faith becomes effort
 - Belief becomes pressure
 - The heart never enters rest
-

THE THIRD STONE — THE DOCTRINE OF BAPTISMS

Baptisms speak of transformation and identity.

Not just outward action...

☞ But inward reality.

To be baptized into Christ is to be:

- Identified with His death
- Joined to His life
- Raised into something new

If this stone is not set:

- Identity remains unclear
 - The old and new remain mixed
 - Transformation is incomplete
-

THE FOURTH STONE — LAYING ON OF HANDS

This principle reveals order and connection.

God does not establish in isolation.

☞ He establishes through alignment.

The laying on of hands speaks of:

- Impartation
- Recognition
- Placement

If this is ignored:

- Isolation increases
- Order is rejected
- Function is limited

THE FIFTH STONE — RESURRECTION OF THE DEAD

Resurrection is not only future.

☞ It is present reality.

It reveals that:

- Death is no longer the authority
- Life has been established in Christ
- The believer has been raised

If this is misunderstood:

EN

...ive as though death still rules

...ains

- Life is postponed instead of lived

THE SIXTH STONE — ETERNAL JUDGMENT

Judgment is not condemnation.

☞ It is alignment established.

It reveals:

- What is true
- What remains
- What must be removed

Eternal judgment is not temporary.

☞ It proceeds from God's unchanging nature.

If this stone is misaligned:

- Fear replaces clarity
- Truth is avoided
- Growth is resisted

ALL SIX STONES MUST ALIGN

These six principles are not independent.

☞ They work together.

EN

nce removes the wrong foundation
establishes the right source

- Baptism defines identity
- Laying on of hands establishes order
- Resurrection establishes life
- Judgment establishes truth

Together...

☞ They form a complete foundation

A MISALIGNED FOUNDATION PRODUCES MIXTURE

If even one stone is off...

☞ The entire structure is affected

This is why many experience:

- Partial truth
- Conflicting doctrine
- Cycles without progress

Because the foundation is not fully aligned.

THE FOUNDATION MUST BE LAID ONCE

Hebrews is clear:

EN

ing again..."

The foundation is not meant to be relaid repeatedly.

It is meant to be:

- Established
- Set
- Aligned

Once it is laid correctly...

👉 Building begins

THE THREAD IS NOW COMPLETE

Now we see the full pattern:

- Genesis → The standard is established
- Law → The standard is written
- Prophets → The standard is applied
- Christ → The standard is embodied
- Apostles → The structure is built
- Hebrews → The foundation is defined

Everything has led here.

THE NEXT PHASE — TESTING AND PERFECTION

Once the foundation is laid...

EN

g built upon it must be tested

Because not everything that appears aligned...

☞ Will remain

THE DECISION BEFORE YOU

The question is not whether you know these principles.

The question is:

☞ Are they laid in you?

Not partially.

Not conceptually.

☞ Fully established.

Lay each stone carefully.

Lay each stone correctly.

Lay each stone according to the line.

Because the strength of what is built...

☞ Depends on the truth of what is laid.

And when the foundation is set...

CHAPTER 8

THE FOUNDATION OF CHRIST TESTED — FIRE, JUDGMENT, AND ALIGNMENT

“Every man’s work shall be made manifest... the fire shall try every man’s work of what sort it is.” — 1 Corinthians 3:13

THE FOUNDATION OF CHRIST WILL BE TESTED

Once the foundation is laid...

👉 Testing is inevitable.

God does not leave what is built unmeasured.

He does not assume alignment.

He reveals it.

“Every man’s work shall be made manifest...”

This is not optional.

This is certain.

Everything built upon the foundation of Christ...

👉 Will be brought into the light.

FIRE IS THE FINAL MEASUREMENT

The plumb line reveals alignment.

☞ Fire confirms it.

Fire is not random.

Fire is not emotional.

☞ Fire is precise.

It reveals:

- What is of God
- What is of man
- What aligns
- What does not

WHAT IS BUILT WILL BE EXPOSED

Paul describes two categories:

- ☞ Gold, silver, precious stones
- ☞ Wood, hay, stubble

These are not just materials.

☞ They represent origin.

EN

comes from God → endures

- What comes from man → cannot remain

The fire does not decide.

☞ It reveals.

FIRE DOES NOT DESTROY WHAT IS TRUE

This is critical.

Fire is not the enemy of truth.

☞ It is the revealer of it.

What aligns with Christ:

☞ Remains

What does not:

☞ Is consumed

This is not punishment.

☞ This is purification.

JUDGMENT IS ALIGNMENT ESTABLISHED

This is why Scripture declares:

...nt also will I lay to the line, and righteousness to the plummet.” — Isaiah

Judgment is not:

- Emotional
- Reactionary
- Arbitrary

☞ It is structural.

It brings everything into alignment with the standard.

THE FOUNDATION OF CHRIST DETERMINES WHAT REMAINS

The fire does not test the foundation.

☞ The foundation has already been laid.

It tests what has been built upon it.

This is why:

- A correct foundation matters
- Alignment matters
- Truth matters

Because only what matches the foundation...

☞ Can endure the fire.

MISALIGNED WORKS CANNOT STAND

Even sincere effort...

☞ Cannot survive misalignment.

Works done in:

- Self-effort
- Misunderstanding
- Religious mixture

☞ Will not remain

Not because God rejects effort...

☞ But because it does not align with truth.

EVERYTHING WILL BE REVEALED

☞ "For we must all appear before the judgment seat of Christ..." — 2 Corinthians 5:10

Nothing remains hidden.

Nothing escapes.

Everything is brought into the light of Christ.

And in that light...

☞ Truth is revealed.

THE PURPOSE OF TESTING IS NOT DESTRUCTION

God does not test to destroy.

☞ He tests to establish.

To:

- Remove what is false
- Confirm what is true
- Align what remains

This is how perfection begins.

THE FOUNDATION OF CHRIST PREPARES YOU FOR THE FIRE

If the foundation is laid correctly:

- Fire does not threaten
- Judgment does not bring fear
- Testing does not cause collapse

☞ Because alignment already exists

But if the foundation is misaligned:

EN

loses instability

- Judgment reveals error

- Testing brings loss
-

THE THREAD CONTINUES

Now we see the full pattern unfolding:

- Foundation → Laid
- Structure → Built
- Fire → Tests
- Judgment → Establishes

And what remains...

- ☞ Moves into something greater
-

THE NEXT REVELATION — LIFE THAT CANNOT BE DESTROYED

After fire has revealed what is true...

- ☞ What remains is life

Not temporary life.

Not conditional life.

- ☞ Resurrection life

EN

not be shaken.

Life that cannot be removed.

Life that has passed through the fire and remains.

THE DECISION BEFORE YOU

The question is not whether your work will be tested.

☞ It will.

The question is:

☞ Will it remain?

Do not build casually.

Do not assume alignment.

Do not trust appearance.

Build according to the foundation.

Align with the truth.

Measure everything by Christ.

Because when the fire comes...

☞ Only what is built according to the line

☞ **will remain.**

EN

APTER 9

THE FOUNDATION OF CHRIST IN RESURRECTION — LIFE THAT CANNOT BE MEASURED BY DEATH

“I am the resurrection, and the life...” — John 11:25

RESURRECTION IS THE PROOF OF ALIGNMENT

Fire reveals what is true.

☞ Resurrection confirms it.

What passes through the fire and remains...

☞ Is not just correct

☞ It is alive.

Because the foundation of Christ does not produce dead structure.

☞ It produces life.

THE FOUNDATION OF CHRIST LEADS INTO LIFE

The purpose of the foundation was never information.

It was never doctrine alone.

"I am the resurrection, and the life..."

This is not future language only.

☞ This is present reality.

The foundation of Christ leads into:

- Living truth
- Living identity
- Living union

RESURRECTION IS NOT THE IMPROVEMENT OF DEATH

Resurrection is not adjustment.

It is not repair.

It is not enhancement.

☞ It is replacement.

"As Christ was raised up... even so we also should walk in newness of life." — Romans 6:4

The old is not improved.

☞ It is left behind.

EN

..... forth is entirely new.

THE POWER OF RESURRECTION IS NOW

Many place resurrection in the future.

But Scripture reveals something greater:

☞ "God... hath quickened us together with Christ." — Ephesians 2:5

☞ "And hath raised us up together..." — Ephesians 2:6

This is not just a promise.

☞ It is a position.

The believer is not waiting to receive life.

☞ He has been brought into it.

LIFE THAT CANNOT BE MEASURED BY DEATH

Death measures everything by its end.

- Time
- Decay
- Limitation

But resurrection life cannot be measured that way.

EN

It does not originate from death

It originates from God.

“Christ being raised from the dead dieth no more; death hath no more dominion over him.” — Romans 6:9

And if death has no dominion over Him...

☞ It has no dominion over what is in Him.

THE FOUNDATION OF CHRIST REMOVES THE AUTHORITY OF DEATH

This is critical.

The foundation of Christ does not just forgive sin.

☞ It removes the authority of death.

- Death no longer defines identity
- Death no longer governs life
- Death no longer determines the outcome

Because resurrection has established something greater.

MISUNDERSTANDING RESURRECTION LIMITS LIFE

...
ction is only seen as future:

- People wait instead of living
- Fear remains
- Death continues to influence thinking

But when resurrection is understood correctly:

☞ Everything shifts

- Life becomes present
- Authority becomes clear
- Identity becomes established

THE SAME POWER IS AT WORK

☞ “If the Spirit of him that raised up Jesus from the dead dwell in you...” — Romans 8:11

This is not symbolic.

☞ This is operational.

The same power that raised Christ...

☞ Is now at work in the believer.

RESURRECTION CONFIRMS THE FOUNDATION

If the foundation is laid correctly:

EN

...ion life begins to manifest

Because the foundation leads to:

- Alignment
- Alignment leads to truth
- Truth leads to life

This is the progression.

WHAT REMAINS AFTER FIRE IS LIFE

Fire removes what is false.

Fire reveals what is true.

☞ And what remains...

☞ Is life

Not effort.

Not structure.

Not appearance.

☞ Life.

THE THREAD IS NOW CLEAR

EN

the full progression:

- Foundation → Laid
- Structure → Built
- Fire → Tests
- Judgment → Aligns
- Resurrection → Confirms life

And now only one thing remains...

👉 The final establishment of all things

THE NEXT REVELATION — FINAL ALIGNMENT

What has been aligned...

What has been tested...

What has been raised...

👉 Will now be fully established

Nothing left out of order.

Nothing left misaligned.

Everything brought into the fullness of God's standard.

THE DECISION BEFORE YOU

The question is no longer:

The question is:

👉 “What life are you living from?”

- The life measured by death?
 - Or the life established in resurrection?
-

Do not live as though death still rules.

Do not think as though life has not come.

Do not wait for what has already been established.

Walk in what has been given.

Stand in what has been raised.

Live in what cannot be destroyed.

Because what is built on the foundation of Christ...

👉 lives.

CHAPTER 10

THE FOUNDATION OF CHRIST IN REVELATION — MEASURED AND PERFECTED

“Rise, and measure the temple of God...” — Revelation 11:1

THE FOUNDATION OF CHRIST ENDS WHERE IT BEGAN — MEASUREMENT

The thread that began in Genesis...

👉 Ends in Revelation the same way:

Measurement.

“Rise, and measure...”

God is still doing what He has always done.

- He establishes
- He reveals
- He measures
- He perfects

Nothing has changed.

EVERYTHING IS BROUGHT INTO ALIGNMENT

At the end, nothing remains undefined.

Nothing remains unmeasured.

Nothing remains misaligned.

👉 Everything is brought into the standard of God.

EN

artial.

☞ This is complete.

THE TEMPLE IS MEASURED

☞ "Measure the temple of God..."

The temple represents:

- The people of God
- The dwelling place of God
- What has been built in His name

This is not external only.

☞ This is internal.

Everything that claims to be of God...

☞ Is measured by God.

THE CITY IS MEASURED

☞ "He had a golden reed to measure the city..." — Revelation 21:15

Even New Jerusalem is measured.

Why?

EN

fection is not assumed.

☞ It is confirmed.

The city is not symbolic chaos.

It is:

- Ordered
- Aligned
- Perfected

According to the same line established from the beginning.

NOTHING ENTERS MISALIGNED

☞ "There shall in no wise enter into it any thing that defileth..." — Revelation 21:27

This is not exclusion for its own sake.

☞ This is alignment.

What does not match the nature of God...

☞ Cannot remain in what He has established.

Because the standard has never changed.

THE FOUNDATION OF CHRIST IS FULLY

REALIZED

What began as foundation...

☞ Is now fullness.

What began as alignment...

☞ Is now perfection.

What began as structure...

☞ Is now life fully manifested.

THE PLUMB LINE HAS DONE ITS WORK

From beginning to end:

- It revealed truth
- It exposed misalignment
- It corrected what was crooked
- It established what is straight

Now there is nothing left to correct.

☞ Everything is aligned.

GOD IS ALL IN ALL

☞ "That God may be all in all." — 1 Corinthians 15:28

This is the final state.

EN

alignment.

Not selective truth.

☞ Complete fulfillment.

Everything brought into:

- Order
- Life
- Truth

THE FOUNDATION OF CHRIST HAS PRODUCED PERFECTION

The purpose of the foundation was never to remain at the beginning.

☞ It was to produce this end.

A people aligned.

A structure perfected.

A reality established that cannot be shaken.

THE THREAD IS COMPLETE

Now we see the full counsel of God:

- Genesis → The standard established
- Law → The standard written
- Prophets → The standard applied

EN

→ The standard embodied

→ The structure built

- Hebrews → The foundation defined
- Fire → The work tested
- Resurrection → Life revealed
- Revelation → All things perfected

☞ One line.

☞ One mind.

☞ One purpose.

THE FINAL CALL

The work of God is not confusion.

It is not mixture.

It is not partial.

☞ It is alignment.

The same call remains from the beginning until now:

- ☞ Align with the truth
 - ☞ Stand in the foundation
 - ☞ Build according to the line
-

EN

PRECISION BEFORE YOU

Everything will be measured.

Everything will be revealed.

Everything will be brought into alignment.

The question is not:

☞ "Will God establish His standard?"

He will.

The question is:

☞ "Will you align with it?"

Do not resist the measure.

Do not avoid the line.

Do not cling to what cannot remain.

Let everything be aligned.

Let everything be established.

Let everything be perfected.

Because in the end...

☞ Only what is built on the foundation of Christ

☞ **will stand.**

EN

FINAL CHAPTER

THE FOUNDATION OF CHRIST COMPLETE — GO ON UNTO PERFECTION

“And this will we do, if God permit.” — Hebrews 6:3

THE FOUNDATION HAS BEEN LAID

The foundation of Christ has now been revealed.

Not partially.

Not conceptually.

☞ Fully.

From Genesis to Revelation, the thread has been made clear:

- God established the standard
- God revealed the line
- Christ embodied the truth
- The apostles built upon it
- The foundation was defined
- The structure was tested
- Life was revealed
- All things were measured

Nothing has been left out.

Nothing has been hidden.

☞ The foundation is complete.

THE FOUNDATION IS NOT THE END

This is where many stop.

They see the foundation...

They understand the principles...

They grasp the structure...

☞ And they remain there.

But Hebrews does not end with the foundation.

It says:

☞ "And this will we do..."

This is movement.

This is progression.

This is the call to build.

GO ON UNTO PERFECTION

The command given at the beginning now returns:

☞ "Let us go on unto perfection."

Perfection is not instant.

EN

omatic.

👉 It is the result of building correctly upon the foundation.

It is:

- Maturity
 - Fullness
 - Alignment fully expressed
-

THE FOUNDATION MUST REMAIN

To move forward does not mean to leave the foundation behind.

👉 It means to remain aligned with it.

“Other foundation can no man lay...”

You do not replace it.

You do not improve it.

👉 You build upon it.

BUILDING REVEALS WHAT HAS BEEN LAID

What you build will reveal your foundation.

If the foundation is correct:

EN

will be steady

ll remain clear

- Life will continue to flow

If it is not:

- Instability will appear
- Confusion will persist
- Effort will increase

Because the structure always reveals the foundation.

GOD GIVES THE INCREASE

☞ "God gave the increase." — 1 Corinthians 3:6

This removes striving.

Because building is not about:

- Human strength
- Religious effort
- Personal ability

☞ It is about alignment with God

When alignment is present...

☞ Increase follows naturally

EN

T RETURN TO THE BEGINNING

The warning remains:

☞ "Not laying again the foundation..."

Do not circle what has already been revealed.

Do not repeat what has already been established.

Do not remain where you were meant to begin.

☞ Move forward.

THE PURPOSE OF THE FOUNDATION

The foundation was given to:

- Establish truth
- Align the heart
- Prepare the way

So that what is built:

☞ Can endure

THE FINAL DECISION

The question is no longer:

EN

the foundation?"

It has been revealed.

The question is:

☞ "Will you build upon it?"

THE CALL THAT REMAINS

Lay it once.

Lay it correctly.

Lay it according to the line.

Then:

☞ Build.

☞ Grow.

☞ Align.

☞ Mature.

THE FINAL WORD

The foundation of Christ is not the destination.

☞ It is the beginning of something that must be completed.

The path is open.

The structure is ready.

EN

been revealed.

Now...

👉 go on unto perfection.
